

Shelburne Legion News: Updates on the renovations

By Lesa Peat

Thank you to IK World Trading for the donation of the new bar top. It is now in preparation by Dan Pellerin and soon to be finished by Brent Young.

Thank you to Sandy Haron and Home Hardware for your assistance in colors for the new bar and the Warriors Hall.

Garry and Martin have been painting diligently.

I have been in contact with all the suppliers involved in the project and am happy to say that we will have six varieties of draft on tap. We are waiting for the refrigeration units to be installed this week by Thermotech and Draft Services. Next week will be working on all the finishing touches and open for business on Friday, August 5.

This Friday, July 29, is another Red Friday wing night with the all request DJ Rob Martine. Wings will be held in upper hall and lounge. This is a much smaller area, so we please ask that all children remain with their parents and no strollers in the building. Sorry for any inconvenience.
