Coffee, Conversation & Books

After two successful events, it's finally our turn to host a local author in Shelburne! We will welcome Harry Posner, Dufferin County's inaugural poet laureate to Jelly Craft Bakery on Wednesday, March 21st @ 7pm. Harry is an accomplished poet and podcaster, and is happy to chat about any of these experiences. Email info@shelburnelibrary.ca to let us know you'll be coming. Coffee and treats provided courtesy of YOUR library!

Spring Steps

We surpassed our goal of walking the length of the Trans-Canada Highway last year, so we will have no problem surpassing 2018's goal of walking twice the length of the Bruce Trail (1780km). Challenge yourself to walk the equivalent of the length of the Bruce Trail while you're at it! All you have to do is sign out a pedometer, track your daily steps, and report into us weekly to help reach this goal! Email jnoble@shelburnelibrary.ca for more information

Children`s Programs:

Since we have so much excitement happening at the library during March Break, Books and Babies, Lego Club and Story Time will NOT be running the week of March 12th - 18th. All programs will resume their usual schedule beginning March 19th.
