Canada Flag reunion set for 150 Celebrations

BY MICHELLE JANZEN

25 years ago, local Kinette Cheryl Soper, initiated Shelburne's involvement in Canada's 125th Birthday by having the local school children sign a special flag that will be on display for Canada's 150th Birthday!

Back in 1992, Kin Canada had a Proud to be Canadian initiative where they had special flags made for Clubs to take to their local schools and give students an opportunity to sign it.

After Cheryl had students from Hyland Heights Elementary School, Centennial Hylands Elementary School, Primrose Elementary School and Centre Dufferin District High School sign the flag it was proudly displayed at the local IGA which was owned by Kinsmen Alf Knight, at the time, for two weeks.

This year for Canada 150 the Kinettes of Shelburne are bringing back the flag in hopes of having those who signed it will return and try to find their names. You will find the flag hung up at the Fiddleville Pavilion where Shelburne's festivities will be going on.

The Kinettes will be at Canada 150, serving up good eats to those in attendance for a nominal price.

Kin Canada is an all-Canadian service organization made up of dedicated member volunteers who serve their community's greatest need through hosting and sponsoring events and community service projects. Since its founding, Kin, Kinsmen and Kinette clubs across Canada have contributed more than \$1 billion to Canadian communities and disaster relief programs beyond our borders.

Watch for the Kinettes at the following upcoming local events this summer: Pickin in the Park, Saturday at Fiddleville and the Shelburne Soccer Clubs Gala Day and support them in their fundraising efforts.

For more information on the Shelburne Kinette Club email shelburnekinettes@hotmail.ca and for information on the Shelburne Kinsmen Club you can email egan@live.ca.

LETTER FROM THE EDITOR

DEAR TYLER:

It was very nice to meet you at the Street Festival on Saturday when your dad brought you over to make sure I was all right.

I'm sorry I didn't catch your last name, so this is probably the best way to reach you!

A bit bruised and bloody, I probably didn't look like I was okay, but I want to re-assure you again that I'm fine and was back at work later that day. In fact, until it got really rainy, I was planning on coming back after getting stitched back up to make sure you were okay. I hope you are!

All in all, it was a lucky break – I got to meet some really nice people I had never met before who helped clean me up, had a great chat with some of our local helpful firefighters, met a couple of members of the Dufferin EMS – one of whom went to school in my own home town! – and had my very first ride in an ambulance. Not bad for a 31-year-old guy! And, as you can see in the photo above, it was a good excuse to buy some nifty new hats!

Hey, you looked pretty cool up on the ramp getting your soapbox derby racer revved and ready for action. It looked like a sweet ride and I can tell you firsthand that it is built pretty solid!

Please don't let what happened on Saturday keep you from future derbies! I'm looking forward to coming back next year – and maybe standing closer to the Library! – to see you finish the race!

In the meantime though, if you happen to see any of the great men and women who gave me a helping hand please thank them for me. I wasn't able to get all their names but they need to know what a fantastic job they did and how much their help was appreciated.

Have a great summer!

Ombudsman opening an investigation into the Ministry of Transportation's handling of Driver's Licenses

BY SYLVIA JONES, MPP DUFFERIN-CALEDON

On May 24, Ontario's Ombudsman Paul Dubé announced he was opening an investigation into how the Ministry of Transportation communicates license suspensions and reinstatements to drivers.

The Ombudsman is an independent office of the Legislature who investigates complaints by the public about the government's services.

According to the Ombudsman "we have heard from drivers who went for years without knowing their licenses were suspended. When they finally found out, it was through their insurance company or police, not the Ministry - which

then treated them as brand new drivers, requiring them to go through the graduated licensing program to have their licenses re-instated."

If you would like to share your concerns about the provincial driver's license system, I encourage you to file a complaint with the Ombudsman at www.ombudsman.on.ca or by phone at 1-800-263-1830.

Problems with driver's licenses are not new to me.

My offices in Orangeville and Bolton assist people regularly with complications surrounding driver licenses. In fact, in the last two years, my office has opened nearly 500 cases to assist people with their driver's license.

WE DON'T BREW OUR BEER FOR THE AWARDS.

BUT HE DOES!

Our brewmaster, Andrew Kohnen, threw away a successful career in logistics to pursue his dream of reconnecting with the brewing roots of his family. This carried him to the UK's prestigious Brewlab in Sunderland, England, where he procured the alchemy that would drive his signature brewing style.

He took what he could from there and ventured to Scotland, Cornwall, and ultimately to Krefeld, Germany, working in the same brewery that had belonged to his ancestors. He came home to Canada for Hockley.

You could call it dumb, but we call it destiny.

Tending the "sacred within" on Primrose Meditation Garden Tour

BY MARNI WALSH

In celebration of the 25th Anniversary of the International Quiet Garden movement, Primrose United Church is offering a Meditation Garden Tour, this Sunday, June 25, from 11 am to 4 pm.

Three area gardens will be featured for a time of contemplation to "tend the sacred within."

The three gardens on the tour include the Primrose United Church Meditation Garden and Serenity Circle at 30th Side Road and Hwy 10 in Mono; The Hub and Hearth Labyrinth Walk in Mono, at the home of LeeAnn McKenna and Jeffrey Cottan; and Reverend Candice Bist's vegetable and rose gardens and meadow walk in Mulmur.

Primrose United Church is a member of the International Quiet Garden Movement, which invites the sharing of outdoor space for the inner journey.

Primrose's meditation garden is tended by "a really keen group of people who created it and keep it up," says Rev. Bist, "Merv and Bev Parker are particularly active, having done much of the hands on gardening - Merv recently created the serenity circle."

"What I think is wonderful and amazing is that this little quintessential southern Ontario church is linked by their marvellous little garden to over 300 gardens throughout the world," says Rev. Bist.

These gardens "are part of an international movement to provide rest and a place of contemplation for all faith traditions," she says. "The need for places of silence and reflection are more and more needed in a world that does not value quiet. As the world gets noisier they will be an increasingly important part of a revolution for reflection and consideration of the deeper matters

"The other two gardens on the tour are private gardens that would not normally be open to the public, she says.

"The Stone Cottage" is Rev. Bist's garden, which consists of a vast spread of permaculture beds berries of various kinds - vegetable beds, orchard, meadow trails and old fashioned roses.

"It is not a fancy garden, but there is lots of love-

Louise has been teaching Tai Chi and Yoga for the past 10 years, in different venues in Shelburne and Orangeville, with a program that offers "a unique blend of Yoga, Tai Chi, Qigong, Ballet, Pilates, and Kick-boxing."

Louise says her focus "is on strength-training with the goal of helping clients achieve their dreams for a strong body and calm mind."

The theme for the 2017 Shelburne Market is "bringing community together" says Market Co-Chair Jennifer Crewson, "to do this, the committee has established three initiatives they feel are important for a happy, healthy community including Community Spirit Days on the third Thursday of each month."

Reminisce about your '80s duds, sing along to the decade's best movie anthems, laugh along with staged recreations of classic scenes, catch up with old friends and dance the night away with music from DJ Sassy. After learning of a 1990s reunion that was happening for CDDHS students, alumni Trish Boehler wanted to get a class reunion organized for the generation prior, which she was a part of. She soon recruited Kelly Da Costa, Tom Stuckey and Melanie Hoadley to help put her plan into action. Dancing itself was a huge fad.

Calling all CDDHS alumni

from 1980-1989

With the success of films like Flashdance, Footloose, and Dirty Dancing, people put on their dancing shoes and hit the floor. They practiced their moves to Madonna songs. The dance trends merged into the aerobics fad as women flocked to jazzercise classes to sweat to the beat clad in bodysuits, tights and of course leg warmers.

Guys had their own trendy way to sweat. The blockbuster hit The Karate Kid made mar-

tial arts the coolest sport for guys.

The group is hoping to bring back all your favorite memories of the '80s like the mysterious Rubik's Cube.

Maybe you preferred putting on your thinking cap to challenge others in a game of Trivial Pursuit.

Do you remember how portable music devices took everyone by storm in the '80s?

Everyone had a boom box, or a Sony Walkman, or both. The boom boxes, or ghetto blasters, were the antithesis of the small Walkman. When it came to the ghetto blaster, the bigger and louder the better. The craze carried over even into cartoons, and the pizza-loving Teenage Mutant Ninja Turtles became a hit on TV.

When it came to movies, it wasn't unusual to see up to eight sequels to films like Nightmare on Elm Street and Friday the 13th.

Video games were one of the hottest pastimes of the 80s. Noisy, packed arcades were the hip hangout, where lots of quarters were fed into games like Pac-Man and Donkey Kong for hours.

Whatever the trend was, the common thread in the '80s was fun and entertainment.

This '80s reunion, complete with photo booths, is scheduled to take place on August 19, 2017 starting at 5 pm at the Shelburne Legion in the Warriors Hall.

There will be a buffet dinner, dancing, and more all for the low cost of \$35. To purchase tickets, you can contact any of the alumni on Facebook or go to their website www.cddhs80s. com.

Batting practice pays off for Senior Cubs

BY BRIAN LOCKHART

The Mansfield Senior Cubs were consistent in their Wednesday, June 14, game against the Ivy Rangers and left the diamond with a 9-4 win after playing a solid defensive game and having success at bat.

"We scored three early then they came back

and score three and that tied it up," said coach

Emerson Pendleton. "It took us a couple of innings to get back. We've been taking different approaches at bat at it's really paying off. You've got to play the whole season to get though it and the guys are now seeing the reward of all their work."

The Cubs got on the scoreboard in the third inning.

a couple of runs that gave the Mansfield team a 3-0 lead.

The game was tied when Ivy's Adrian Gutierrez hit one over the right field fence for a three run home run.

The Cubs were back in the lead in the third inning when Tyler Linger hit a single to load that bases.

That was followed by a walk that brought in a run and put the Cubs up one.

Devon Caldwell's hit brought in a couple of runs to give the Mansfield squad a three run lead.

Caldwell did it again in the fifth inning when he hit to right field for a double that gave the Cubs a three run advantage. It wasn't a good inning for the Rangers who made several errors and allowed another Cubs run.

The game ended with a final Rangers run in the last inning but that's all they could do and the Cubs left with a 9-4 win.

"We're taking at-bats. Not just batting but seeing the ball well and taking the walks," Pendleton said. "It's been catching on. It's kind of contagious and tonight was really good. Ever part of our order was firing and that's what we really need, not just a couple of guys."

The Cubs will be back on the diamond on Sunday, June 25, when they host the Aurora Jays.

Game time is 5:00 p.m.

A pitcher for the last ten seasons, Josh knows the nuances of what it takes to be on the mound.

"The game is a lot of thinking. It takes a lot of physical and mental skill – and strategy," Josh said of why he likes the sport.

On the mound, Josh said he's on his own but 'he always has the guys behind him. You're nothing without the team."

Josh learned the sport on the Mansfield diamond where he played the game with Mansfield Minor Baseball. The Shelburne Vets Lacrosse Club hosted their annual Novice and Peewee "Vets Day" tournaments on June 3 and 4 at the Centre Dufferin Recreation Complex in Shelburne. The Vets Peewee team made it to the final game but lost to the Toronto Beaches. The team also travelled to Arthur for a tournament, winning over Arthur and Orangeville to reach the final. The team lost by a single goal in the final game. Vets tournament goal scorers include Zachary Baird, Seth McCallum, Aiden McKibbon, Masen Way, and Devan Doig. Christian Perspectives: Revival is coming, and we need it!

BY PASTOR GORD HORSLEY ABIDING PLACE FELLOWSHIP

There's lots of thought around the topic of revival, everything from what revival is to what happens when it comes. But one thing no one can argue about is the demonstration of the power and presence of God that shows, meaning the fruit of revival.

As in the Welsh revival alone, with Evan Roberts in 1904-1905, over 150,000 people experienced the love and the transforming power of God in their lives. Young and old were completely changed; fell deeply in love with the creator of the universe.

I believe this could happen in Shelburne and the surrounding area, if the body of Christ would stay in unity. That is truly my prayer.

As revival fire spread across Wales in the late 1904 and early 1905, although no official records were kept of the actual number converted, 150,000 is considered a very conservative estimate during the first six months!

People's lives were transformed by the thousands. This was indeed, a sovereign move of God's Holy Spirit!

If and when this happens in Shelburne the Churches will be overrun with people desperate to find and know God like never before. The thought of that brings joy to my heart, how about you?

Whole communities were turned upside down and were radically changed from depravity to glorious goodness and hope.

The crime rate dropped, often to nothing.

The police force reported that they had little more to do than supervise the coming and going of the people to the Churches for prayer meetings and services, pubs turned into Chapels, with people seeking the Lord and not trying to drown their sorrows with a life without God.

Families experienced amazing renewal; where the money earning husband and Father, the bread winner at the time, had wasted away the income and sowed discord, but now under the moving power of the Holy Spirit, following the conversion to be a follower of Jesus Christ, he not only provided correctly for his family's needs, but was now with the family, worshiping God at Church and helping out at home, rather than wasting his time and money in the pubs.

Souls were saved, individual lives changed, people healed, physically, emotional and spiritually.

Many other revivals have taken place over the years, such as Azusa Street revival, the great awakenings, the Jesus movement in the early 70s to the outpouring of the Fathers love renewal in Toronto in the late 80s and into the 90', to many other moves of God all over the world which are too numerous to mention in this article.

I guess the question is, "how does this all come about?

Ombudsman opening an investigation into Ministry of Transportation's handling of Driver's Licenses

By men and women seeking a relationship with God, where nothing else matters but being in his presence following his decrees and allowing Holy Spirit to lead us, as we surrender in every area of our lives to God.

I believe God himself is rising up leaders with childlike faith and a shepherd's heart, who desire to know God in a deeper way. These leaders will believe God and take him at his word, live a simple life with purity, free from selfish ambition and pride. These men and women will have God's heart, his desires, they will be faithful, wait patiently for God to move, be bold to only share what God says, not their own opinions but God's ,they would be unshakeable and steadfast, not diluted or weakened by opinions of men.

Unity is the key to revival. Unity moves the hand of God. We need to be building God's kingdom, not a particular church body or even a denomination. As the Chair of the ministerial here in Shelburne, my heart is for unity, not conformity, keeping the essentials of Christianity at the heart of our unity, not our pet understandings and beliefs, but allowing the body of Christ in Shelburne to celebrate its rich diversity of our different denominations that are represented in Shelburne.

I believe when we come together as we do every last Monday night of the month, at 7 pm in the Chapel at Mel Lloyd Centre, door "F", we fellowship and pray not only for revival but for our Mayor, Town Council, the service men and woman of the fire, police and ambulance departments.

We pray for the people of our community, business, schools and many other issues that come up over the year.

If you wish to join us please feel free to join the pastors and elders of our churches as we meet together and seek God for our community.

Again, that is on the last Monday night of the month.

Unity is void of competition, it is not building one's own kingdom, it's about His kingdom!

When people come together in agreement with God's purpose it produces a synergy that causes the anointing to increase.

Whatever we agree with together with God we

strengthen. Joined gifting and anointing create a new expression of the manifest presence of God. We will see God display his power and presence in ways we have not imagined.

In uncompromising unity in Christ, we learn to esteem one another better than ourselves, to honor and respect each other, in return God pours out his blessings, hope, peace and love.

In this God demonstrates his great power in signs and wonders, people are changed, transformed, healed and delivered. Humility will always attract God. God's compassion and grace for our community is multiplied when the leaders humble themselves and pray together, and work for the common good for community and Christ.

I believe revival will come if first we pastors and leaders, then our congregations in Shelburne, will continue to humble ourselves and pray and seek God's face; if we continue to work for unity in Christ in Shelburne for his glory, not our own.

I believe God will hear us and have mercy on us and move in Shelburne.

Please pray for, and lift up, our pastors and leaders in Shelburne, we all need your help and support: as you do God will richly bless you. Blessings to you all.

If you are having difficulty, my office has had many successes in resolving problems surround official provincial documents such as: birth, marriage and death certificates, health cards and driver's licenses.

The Ombudsman is an important resource for taxpayers beyond concerns about driver's licenses.

The Ombudsman oversees more than 1000 public sector bodies such as municipalities, universities, school boards, provincial ministries, crown corporations, administrative tribunals, agencies, boards and commissions.

The Ombudsman has done important investigations into the use of solitary confinement in our correctional system and adults with developmental disabilities in crisis.

The Ombudsman report "Nowhere to Turn" outlined to unacceptable state of developmental services in Ontario, particularly instances of "abandonment".

These tragic cases occur when the needs of a child are overwhelming for a family and they are forced to abandon their child to get the services they need.

These families often look for a long-term solution for their child by placing them in a group home.

However, group-home availability is limited and there are long waitlists.

Parents come to realize that the only way they

Recommended read of the week: Everything, Everything by Nicola Yoon – Maddy is allergic to the world. No, seriously. Her house has filtered air, she can only see outsiders by appointment, and relies on her mom (who is a doctor) and her nurse, Carla for companionship. That is until Olly moves in next door and shatters Maddy's understanding and expectations of her world. This is not your typical romance, nor does it have the ending you'll expect. Read it before you see the movie!

MP presents veterans with lapel pins and Bomber Command Bar

David Tilson, Member of Parliament for Dufferin Caledon, was honoured to present two Veterans with WWII Commemorative lapel pins and certificates at a special ceremony held on June 16.

The event was held at and with the helpful assistance of the Orangeville Legion.

Mr. Norm Thomas and Mr. Eric McNiece both received their WWII lapel pin at the Orangeville Colonel Fitzgerald Legion, Branch 233. The Colour Party ushered in the event and the pins were presented by branch President Chris Skalozub, alongside Mr. Tilson.

Mr. McNiece also received his Bomber Command Bar for his service in the Royal Canadian Air Force. The Bar is presented to all those who served in the Bomber Command between September 3, 1939 and May 8, 1945.

"It is important to honour our Veterans and remember the immense sacrifice they made for our country," said Mr. Tilson. "Both men and women put themselves on the frontlines selflessly, to ensure we may enjoy the many freedoms we cherish in Canada today. It was an honour for me to be able to provide this recognition."

Fantastic turnout for Shelburne's Street Festival!

BY MICHELLE JANZEN

The heart of Shelburne was bustling with community sprit on Saturday June 17, as large crowds turned out to attend the annual Shelburne Street Festival.

It was such a beautiful day, and there was such a great turnout.

Looking down the street, there was nothing to see but cars, the tops of the canopies, and the sea of people. Even with the extent of the crowds, there was virtually no waiting at any of the food tents, and the atmosphere was so relaxed.

Onlookers made their way from one end of the street festival to the other, stopping to browse the amazing turnout of classic vehicles, motorcycles, wares, the kids zone, soap box derby races and the wonderful array of talent that was on stage throughout the day.

Shelburne is bursting with talent and this festival is the perfect way for neighbors to see and support the local art, bringing more and more people to the downtown core, providing an opportunity for businesses to showcase what they have to offer.

The open air market this year has a record number of vendors.

"This is real nice for the community," say Jamie-Lee Higginson, owner of Prim Pickins' and organizer of the open market. "You get to see a lot of people you know. It's a social event."

Car lovers were able to view a record number of vehicles, as they browsed motoring history while strolling through the town that was organized by Oatman's, bottom right.

Although there was a brief interruption in the Soap Box Derby races, when the editor of the Shelburne Free Press stepped out to snap the cars in action, all went according to plan and all involved had a blast!

Mayor Ken Bennington, who also serves as the chair for the Street Festival Committee, tells the Free Press "I would like to express a sincere thank you to the organizing committee of the Shelburne Street Festival for your tireless efforts and commitment to our wonderful community. Thank you for an awesome Street Fest 2017!"
