

Get your quilt appraised

Whether it's a cherished family heirloom or a quilt you proudly made, you know its emotional value, what about its monetary value? Judy Lyons is a specialist in the appraising of traditional and non traditional quilts, fiber art and textiles. She will be at Cobwebs & Caviar all day November 18 (9:30 a.m. to 5 p.m.), doing the initial assessment of quilts and fiber art, followed by a written appraisal (cost \$60).

Judy will also offer a 'History of Quilts' lecture at noon and share her collection of quilts from 1870 to present day.

This is a Alzheimer Coffee Break fundraiser so please pop in to Cobwebs & Caviar for a visit.
