

Mulmur resident wins \$50K

Congratulations to Mulmur resident Raylynne Cameron for winning a \$50,000 top prize with the Lucky Lines ticket in her Instant Gift Pack (Game #1922).

"I told my family that I didn't want any presents this year as my recently born grandson was the only gift I needed but my daughter bought me a lottery ticket for Christmas anyway," shared Raylynne, while at the OLG Prize Centre in Toronto to claim her windfall. "I thought the ticket was a loser but it turns out it was a "Big Winner!" When I validated the ticket, the music played on the machine. I was shocked!"

Raylynne plans to help out her children and save the rest of her winnings.

Instant Gift Packs are available for \$10. The Instant Gift Pack contains six instant games ? Crossword, Lucky Lines, Bingo, Snow Dough, Winner Green and Holiday Fortune. Odds of winning a prize are 1 in 3.17.

The winning ticket was purchased at Shoppers Drug Mart on Victoria Street in Alliston.
