The Shelburne Senior Muskies were stopped by some good goaltending in their Saturday (Jan. 7) night game against the Saugeen Shores Winterhawks.

The Muskies failed to score during the game while giving up six goals to the visitors, to take a 6-0 loss for the night.

It was the largest crowd in attendance this year as the night was also the Muskies' annual Fight Cancer Night fundraiser. The club had a variety of activities at the arena for the home game and they were raising funds for the Cancer Care program at Headwaters Health Care Centre in Orangeville.
