

Hazardous and Electronic Waste Event upcoming]

Dufferin County invites residents to celebrate Earth Day by properly disposing of old paint, motor oil, broken printers, old cleaning products, other household hazardous waste and more. Attend the special Hazardous and Electronic Waste Event taking place on Saturday, Apr. 22 from 8 a.m. to 3 p.m. at the Shelburne Operations Centre, 124 Luxton Way, Shelburne.

Visit www.dufferincounty.ca/waste for a full listing of acceptable material and limitations and future events. Residents are encouraged to download the Dufferin Waste App on their Apple or Android device to receive updates on special Dufferin Waste events.
