

Off-road vehicle By-law reminder

Shelburne Police is reminding owners of off road vehicles (often referred to as ATV's, four wheeler's or Quad's) about the by-law in regards to their operation within town limits. The by-law states that off-road vehicles are not to be operated on any town streets, sidewalks, parks, community centres, play grounds or within 100 metres of a school. The fine upon conviction for breaching this by-law ranges from \$100 to \$2000.
