

Shelburne Legion news

Legion membership is open to all and shows that you remember and respect those who've served our nation. We are the largest veterans organization in the country ? more than 320,000 strong. We not only promote Remembrance but we are the advocate for Canadian Forces and RCMP veterans and their families to ensure their quality of life is the best it can be. The Legion is one of Canada's largest community service organizations supporting everything from amateur sport to meals on wheels. With your membership you show your support for Canada's Veterans and strengthen communities across the country. Join the Legion. Because you care. Because you can! Membership is open to any Canadian citizen or Commonwealth subject of federal voting age. Happy Thanksgiving from all the executive and staff at Branch 220.
