## Council needs to “air position” on hot dog vendor: CAO

BY BROCK WEIR

Shelburne Council has put itself in the position of having to “air” their views on the future of Tony’s Street Meat, according to CAO John Telfer.

As The Shelburne Free Press reported last week, Council has so far refused to take a firm position on whether or not a vendor permit will be issued to Tony Finocchio for his hot dog cart, which is situated in front of his store, Tony’s Sweet Treats.

The future of the storefront is not in question, but the hot dog cart is another story. A separate permit needs to be issued each year by the

Town, but after several years in operation, that was not forthcoming this year and Mr. Telfer says Council has expressed concerns stemming from “stories on the street.”

“The bottom line is, in Council’s opinion, they felt it wasn’t the face they want to see or the type of business they want to promote in our downtown, so they just received [the delegation from Mr. Finocchio’s lawyer],” said Mr. Telfer on Council’s decision not to take firm action one way or the other. “Unfortunately, there wasn’t a lot of discussion about it and there wasn’t a lot of discussion about it after the last Council meeting...but they did instruct staff to work with our solicitor to come up with

[reports] to give some kind of direction to the applicant.”

As we reported last week, a petition spearheaded by Mr. Finocchio was presented to Council with over 700 signatures supporting his business remaining downtown, but Mr. Telfer says as far as the court of public opinion goes, it is a split decision.

“Nothing was expressed by Council and I am reading between the lines,” he says. “In the same breath, there are some actions that have occurred that wouldn’t represent a good corporate vendor downtown in the sense of garbage and stuff like that, but those are minor things. I

## LGBTQ students hold first ever Rainbow Prom

BY PETER RICHARDSON

The Lesbian, Gay, Bisexual, Transgender and Questioning (LGBTQ) community held the first ever “Gay in the Garden” Rainbow Prom last Friday evening at the Monora Pavilion.

The event was organized under the auspices of Dufferin Child and Family Services, by the members of their group for lesbian and gay youth and the group leader Kersty Franklin.

The event was well attended and participants enjoyed a sit down dinner before dancing the night away to the tunes of a local DJ.

For those with two left feet, there were two raffles, a scratch art competition, a non-permanent tattoo artist and a photo booth to keep the evening entertaining, while a non-alcoholic bar dispensed the evening’s no charge libations!

Attendees came from as far away as Everett and Caledon as well as from all over Mono, Orangeville and surrounding communities.

During the course of the evening, I had numerous conversations with various attendees about the event, their motivations for coming and also the group itself, which has been going on for 17 years and caters to individuals between 14 and 21 years of age and from every corner of the LGBTQ spectrum.

Most of whom I talked to said they felt the group was highly supportive and represented a family that they could not only relate to, but feel comfortable in.

As for their motivations for attending the prom, they varied, but primarily centred on it being a chance for them to attend a prom, where they were accepted as themselves and not be on the outside looking in, as well as showing support for others in their community.

They talked about feeling segregated in

schools, openly ridiculed, marginalized and even becoming the objects of violent aggression because of their sexual orientation.

A common thread, best expressed by Eli Blacklock, the charismatic head of the organizing committee, was the frustration felt over constantly being looked upon as someone who was broken and in need of fixing.

She became a part of the Rainbow Prom, because “I’m gay as hell” and she wanted to be with others who, like her, were proud of who they were and wanted to enjoy an evening at an event often denied them in straight society.

When asked when they realized that they were gay, the answers ranged from as early as twelve to mid-high school years. The whole range of LGBTQ individuals was represented at prom, from the openly gay, like Eli and fellow committee member Hunter Milligan, to Eli’s sister Lindsay, who admitted to being straight, but bi-curious.

Through the generous support of the Astor Family Foundation, Dufferin Child and Family Services, the Stream B&B, Theatre Orangeville, Broadway Music and photographer Jim Waddington, the first annual Rainbow Prom was certainly a rousing success and a welcome respite from the day-to-day societal and community attitudes and frequently negative, perceptions for Dufferin’s lesbian and gay community.

All in attendance were generous with their praise of the event and its organizers and in particular the group organizer, Kersty Franklin.

The event is sure to be repeated next year and for many years after if this year’s reception was indicative of the support from the community at large and the LGBTQ community in Dufferin Caledon, in particular.

**BUSY BEES** – After hibernating over the winter, bees have awakened in time to collect pollen and nectar from flowering plants. Many people think of bees as a summertime nuisance. However, these small hard working insects actually make it possible for your favorite foods to reach your table. A condition known as Colony Collapse Disorder is causing the bee populations to plummet, which means foods are at risk. As pollinators, bees transfer pollen and seeds from one flower to another, fertilizing a plant so it can grow and produce food. Without bees to spread seeds, many plants including food crops would die off.

# CDDHS to host the Amazing Race

BY MICHELLE JANZEN

Julie Senese's Grade 12 Business Leadership class at Centre Dufferin District High School (CDDHS) will be hosting the 4th annual "Hair Off for Headwaters" at the school.

Hair Off for Headwaters is a fundraiser benefitting Headwaters Hospital in Orangeville.

Last year's event raised over \$5,000, bringing the total raised to over \$135,000 for the Cancer Care Program at Headwaters through several students cutting their hair.

Now in its 15th year overall, Hair Off for Headwaters began at CDDHS when a former teacher was diagnosed with bladder cancer and saw a need for fundraising to benefit the local hospital.

"This is the fourth year that my Grade 12 Business Leadership class has taken this event on as a class project," says Ms. Senese. "The project is treated like a business in that the class is split into various departments each with their own manager and I act as CEO. The project teaches them a lot about working with others, group dynamics, communication, deadlines and project management."

Leading up to the main event, Senese's students held a series of smaller fundraisers to raise money and awareness, including walking around at lunch with a jug asking for donations, which was also part of the class project to raise funds.

This year, the students have added the Amazing Race, which will take place this Thursday, May 19, from 5 p.m. to 7 p.m.

The race will consist of teams of two and will start at the school. Participants will have various challenges, roadblocks and detours to complete around the Town of Shelburne, with a prize being awarded to the team who completes the race with the fastest time.

The Hair Off portion of this fundraiser will take place in the CDDHS gymnasium, where students will be able to watch other students cut off their hair, for a ticket buy-in of \$3. The haircut will take place on Friday, May 27.

"This is a good source of fundraising money," says Senese. "Local businesses within our community are very generous and donate items to be used as door prizes and prizes for every participant who cut their hair."

Students taking part have to raise a minimum of \$100 to participate and then get their hair cut, shaved or waxed.

Community Living Dufferin photographers held a showing last month at Dufferin County Museum and Archives. Photographers seen here are (from left to right) Anne Rogers, Sarah Godfrey, Kirk Bailey, Darrel Kearney, General Manager of the museum, receiving a gift from the photographers, along with Phillip McAlpine, Allan Boers, and Sarah Robinson, museum curator. Kassondra Staveley is in front. The program involves a group of 17 photographers getting out on a weekly basis and taking photos to add to their collections. Each year, Community Living Dufferin holds a photography show where each photographer sets up a display of their photos and portfolios for the public to view, purchase and order from. This year's show at the museum included jazz music provided by local musicians Ryan Avery and Nick Mustapha, creating an incredible atmosphere and a very enjoyable evening.

think the bigger thing is if he is not going to be accepted to run an outside business in the downtown core, what are the reasons for it? I will let Council make those reasonings so it is in the public domain.

"I think Council has kind of put itself in the position where they are going to have to air their position on this one simply because their first direction to receive it was not good enough to give the applicant any indication on why. If it doesn't happen, I am sure he will want to take it to a judicial court."

And that is exactly what Mr. Finocchio says he plans to do should Council not vote in his favour.

"There are people who don't like me for some reason," Mr. Finocchio tells the Shelburne Free Press. "I will just wait until it goes to Council and then I will see what happens. If I don't get my license back, I am going to take it to a higher court. I am going to sue. I have lost a lot of money here. I have paid my rent all year and I haven't done anything wrong. How would you like it if someone came up to you and said, 'We're going to take your license away'? I feel really bad right now, but I

am not judging anybody or saying anything bad to anybody. I think there is a misunderstanding or somebody has something against me, or they just don't want me to be there."

Asked to elaborate on some of the complaints he is aware of, he says he has asked people to leave the benches outside of his store and surrounding his food cart if they sit there with pizza and other snacks bought from other businesses. But, he contends, he asks them to leave "nicely."

I don't want people eating there and walking through my place with pizza or anything," he says. "I pay to be on that property and I don't appreciate that people do that - and I don't get aggressive. All I can say is I didn't do anything. I would like to say sorry to everybody if I did something. I want to thank all the people of Shelburne who are supporting me. That's what I want to do. I really have no apologies because I didn't do anything. I stand up for myself and I am allowed to do that."

"I am a unique person with a unique personality. That is who I am. Everybody has a unique personality out there."

  
THE CORPORATION OF THE TOWN OF SHELBURNE  
NOTICE OF COMPLETE APPLICATION AND NOTICE OF PUBLIC MEETING  
UNDER SECTION 53 OF THE PLANNING ACT

**TAKE NOTICE** that the Committee of Adjustment of the Corporation of the Town of Shelburne will hold a public meeting on:

**MONDAY, JUNE 6, 2016.**

The public meeting is scheduled to start at 7:00 p.m., or as shortly thereafter as possible, and will be held in the Council Chambers at the Municipal Office, 203 Main Street East, Shelburne. The purpose of the meeting is to consider the following planning applications:

**Application for Consent B16/03** - Tyson Montgomery, on behalf of Jason and Kimberly Mimms, has submitted an application for consent for the property municipally identified as 144 Second Avenue West in Shelburne. The subject property has an existing total area of 1043 m<sup>2</sup> (0.1 hectare) with 15.09 metres of frontage on Second Avenue West. The purpose and effect of the application is to sever a portion of the rear property having an area of 578 m<sup>2</sup> to create a new residential lot. The resultant retained land will have a remaining land area of 465 m<sup>2</sup> and will maintain its frontage on Second Avenue West. The lands to be severed currently contain a wood barn located in the northwest corner of the lot which will be demolished. A map illustrating the location of the subject property is provided below.

**Application for Minor Variance A16/01** - In conjunction with consent application B16/03 described above, an application for a minor variance has also been submitted. With the creation of the new lot, the proposed severed lot will have 38 metres of frontage along Gordon Street and a lot depth of 15 metres. To allow for the future siting of a single detached dwelling on the proposed severed lot, the applicant is seeking relief from the minimum rear yard requirement of the Residential Type Two (R2) Zone of 7.5 metres and is proposing to provide a rear yard of 1.2 metres with a southerly interior side yard of 8 metres. In effect, the minor variance would allow the easterly yard on the proposed severed lot to be considered as an interior side yard, whereas the Zoning By-law defines it as a rear yard, and would also allow the southerly yard to be considered as the rear yard, whereas the Zoning By-law defines it as an interior side yard. All other minimum yard and setback requirements on the proposed lot can be met.

Take notice that the above applications have been deemed complete so that they can be circulated and reviewed.

At the meeting you will be given an opportunity to ask questions and indicate whether you support or oppose the applications for consent and a minor variance. Written submissions will be accepted by the Secretary-Treasurer up to the time of the Public Meeting and will be given consideration by the Committee of Adjustment prior to a decision being made.

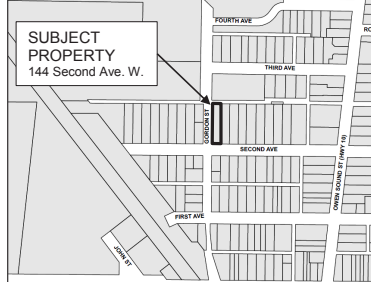

If a person or public body that files an appeal of a decision of the Committee of Adjustment of the Corporation of the Town of Shelburne in respect of the proposed consent and minor variance but does not make written submissions to the Secretary-Treasurer of the Committee of Adjustment of the Town of Shelburne before it issues a decision for the applications, the Ontario Municipal Board may dismiss the appeal. If you wish to be notified of the decision of the Committee of Adjustment in respect of the proposed consent and minor variance, you must make a written request to Secretary-Treasurer.

Additional information relating to the proposed consent is available for inspection at the Town of Shelburne Municipal Office at 203 Main Street East, during normal office hours, 8:30 a.m. to 4:30 p.m. and on the Town's website at [www.townofshelburne.on.ca](http://www.townofshelburne.on.ca).

Dated at the Town of Shelburne on the 18th day of May, 2016.

## Construction set to begin at Headwaters

Construction is set to begin next week on Headwaters Health Care Centre's (Headwaters) transformative expansion and renovation project, signaling a significant step forward in increasing access to important health care services for the growing community.

The addition of the new space is the first major expansion of the hospital since it opened at its current location in 1997.

A new, 8,200 square foot extension will be home to much-needed clinics, services and programs like chemotherapy, minor procedures, or-

thopaedics and telemedicine.

"This is an exciting time for the hospital, and for the community," said Rob Hamilton, Chair, Headwaters Board of Directors. "With this important project underway, we will be able to deliver on our Vision of an Exceptional Experience Every Time and provide greater access to the programs and services - like cancer care and day surgery - that are needed most by patients and families."

A formal ground-breaking ceremony will be held at Headwaters Health Care Centre on Thursday, May 26 from 2 - 3 p.m.

# Ottawa Journal: Tulips across Canada

BY DAVID TILSON, MP  
DUFFERIN-CALEDON

It's spring and the tulips are in bloom. There can be no more enduring symbol of friendship between Canada and the Netherlands than the tulip. All across Canada at this time of year, millions of tulips are bursting with colour, recognizing the incredibly strong bond of friendship between our two countries. One year ago, I had the good fortune of being in The Netherlands on government business and was able to visit the town of Keukenhof where the tulip originated. The tulip is a harbinger of the summer to come and is a welcome sight every spring. The liberation of the Netherlands during World War II is an accomplishment in which Canada takes enormous pride, and I know from first-hand experience how well appreciated it is by our Dutch friends. Canadians are greeted warmly all across the Netherlands as a sign of true friendship. At this time of year, when I head to Centre Block on Parliament Hill, there are thousands of tulips in bloom, a gift in perpetuity from the Government of the Netherlands to recognize both the liberation and Ottawa's hospitality for the Dutch Royal Family during the war. What began as a gift of 100,000 tulip bulbs in 1945 and continuing with 20,000 bulbs a year ever since, has now grown to close to a million tulips, of 100 varieties, in 100 flower beds around

the city. Indeed, all across Ottawa, the Tulip Festival is being celebrated by tens of thousands of enthusiastic visitors. There has been exciting news regarding the release of Canada's official 150 birthday tulip, to honour next year's 2017 sesquicentennial. The 150 tulip will be a predominantly white flower with red flame-like detail to reflect Canada's national flag. Dutch tulip growers have been collaborating with the National Capital Commission for four years to develop and design this celebratory flower. 300,000 of the new variety will be blooming around the national capital next spring. Bulbs will be available at participating Home Hardware stores this fall in time for them to bloom next spring. The Canada 150 tulip will stand and grow as a lasting testament to a very special relationship between our two nations. This past weekend, I had the honour of speaking to assembled guests at the Tulip Blooming Ceremony in Grand Valley. This is another great testament to the friendship between Canada and The Netherlands. And it, of course, recognizes the sacrifice of our soldiers in liberating The Netherlands from Nazi occupation. I encourage everyone in Dufferin-Caledon to pay a visit to at the Dutch-Canadian Friendship Tulip Garden at the cenotaph in Grand Valley while the flowers are still in bloom!

## Special Olympics

BY SYLVIA JONES, MPP  
DUFFERIN-CALEDON

Founded in 1968, Special Olympics has grown into a year-round event for children and adults with an intellectual disability to compete and train in a variety of Olympic-type sports. Sports are a common way for individuals of all walks of life to come together and for individuals to recognize and reach their fullest potential. That is exactly what Special Olympics embodies by allowing individuals with different abilities to discover new strengths and skills. In Ontario, there are over 200,000 individuals with an intellectual disability, of which there are 22,000 registered athletes that train and compete with Special Olympics Ontario. Each year, 1,000 new athletes join Special Olympics Ontario. These athletes train and compete in 18 spring, summer and winter sports, including 5-pin bowling, 10-pin bowling, basketball, powerlifting, rhythmic gymnastics, swimming, athletics, bocce, golf, soccer, softball, alpine skiing, curling, figure skating, snowshoeing, Nordic skiing, speed skating, and floor hockey. On May 3, as part of Special Olympics Day at Queen's Park, I had the opportunity to meet with Kayla of Orangeville, who competes with Special Olympics Ontario in basketball, curling,

golf, and bocce ball. Kayla told me how much she enjoys competing, staying active and meeting new friends. Special Olympics Ontario holds provincial competitions on a four year cycle, alternating between spring, winter, and summer sports. The 2016 provincial spring games will take place in Guelph on May 26 -28, and next year Peel Regional Police Service will be hosting the 2017 provincial summer games. In addition, Special Olympics Ontario has introduced an annual Provincial School Championships with over 600 athletes competing. This year's championships will be taking place on June 1 - 3 in Durham Region. Special Olympics offers an opportunity for children and adults to improve their physical fitness and motor skills, improve their self-confidence, build long-lasting friendships, and help build a positive self-image. Special Olympics programs are offered at pools, hockey rinks, soccer fields, and school gyms with the support of the thousands of volunteers that help coach or organize these events. If you are interested in learning more about Special Olympics Ontario, or want to get involved, please visit [www.specialolympicsontario.com](http://www.specialolympicsontario.com). Let me win. But if I cannot win let me be brave in the attempt.

### LETTERS TO THE EDITOR

#### Champ Burger is champ in customer service, says reader

Last Friday night, we made a trip to Champ Burger in Primrose, as we do often on a Friday evening. We placed a take-out order for our family of four that night and headed back to my son's house to watch the ball game and eat our dinner. When we got there, we realized that we were short one burger in the order of four different meal deals. We were disappointed but not angry as we understand these things can happen on a busy Friday evening. I decided to call and let them know as I thought they would like the feedback. The girl who answered the phone passed me on to the owner, I believe. He was very apologetic and I told him not to worry about it, but I didn't feel like driving back to get it, and if he just wanted to give us the burger next time we were there that was fine. He said, no, that was not fine and then asked where we live.

When I told him we were on the 3rd Line of Mulmur, he said he would have someone take it out to us. I told him that was not necessary, but he insisted. About 20 minutes later, he arrived himself with the burger, four dishes of ice cream and gift certificates for Champ Burger meals, as well as, again, being very apologetic. I made it quite clear that he had never had this happen before and it really was not a big deal. It is very refreshing to know that there are still businesses out there that understand the value of customer satisfaction. Thanks so much to the owner of Champs for your dedication to customer service. We will continue to go there for their great food as well as outstanding service.

#### Don't advertise animals "free to a good home"

I am distressed when I see pictures and ads for animals that are "free to a good home." Last week, I noticed an ad in a local store advertising three sweet little female kittens. I called the person on the ad and informed her of the consequences of giving away free animals and I picked them up for my rescue group. There are very good reasons that animal rescues and humane societies charge an adoption fee for their animals. These small fees in no way begin to cover the costs incurred for medical treatment and upkeep of the pets they adopt out. Did you know people value what they pay for? Pets obtained for free are less likely to be spayed and neutered by their new owners. (Why bother with vet bills?) and are more likely to be abused and/or discarded because "there are plenty more where they came from." So called "Bunchers" gather free pets until they have enough for a trip to a Class B dealer who then sells animals from random sources for research. Free animals are also taken to "blood" pit bulls - to train fighting dogs how to kill and enjoy it. These can be cats and dogs of any size to be used as bait. Unspayed or unneutered pure bred dogs may end up as breeding stock on a puppy mill. What

can you do? Don't advertise free pets! Convince others to do the same. Do spay/neuter to keep from creating possible "FREE TO GOOD HOME" situations, or condemning your pet to a short, miserable life in a puppy/kitten mill. Do contact breed rescue organizations. Do charge at least \$25 to discourage resale of pets to labs. Do take time to interview every prospective owner. Do ask for veterinarian and personal references and check them, then visit the new home where your pet might be living. Do write a letter to your MP in support of doing away with Class B dealers, who sell animals obtained from random sources. Do call police, animal welfare workers, even the Health department if someone in your area seems to be collecting cats and/or dog, or suspected abuse. I would strongly advise anyone who is looking, for whatever reason to re-home their pets to have the pet spayed/neutered and become educated about your options that are safe for the animal involved. Be forewarned is be forearmed!

## Man charged following April theft

On April 3, Shelburne Police launched an investigation after a cell phone was reported stolen at a checkout at the Shelburne No Frills.

The investigation resulted in the suspect being identified by police in May.

As a result, 36-year-old Robert Mountain of Southgate was arrested on Saturday May 13. He has been charged with Theft under \$5,000 and Possession of Property Obtained by Crime.

The accused was released on a Promise to Appear and Undertaking with first appearance court date in June at the Orangeville Court-house.

The charges have not been proven in court. If anyone has any information in relation to this case they are encouraged to contact the Shelburne Police Service at 519-925-3312 or anonymously through Crime Stoppers at 1-800-222-TIPS (8477) or online at [www.crimestoppersdm.com](http://www.crimestoppersdm.com).

## CAR STOPPED FOR LICENSE PLATE STICKER RESULTS IN TWO ARRESTED FOR DRUGS

On Wednesday May 11, while on routine patrol, a car was stopped by Shelburne Police in regards to the validation sticker on the rear plate.

This roadside investigation led to the occupants being arrested for drug possession, and marijuana being seized from two of them.

One youth and one adult were charged with Possession of Marijuana Under 30g, under the Controlled Drugs and Substances Act of Canada.

The two were released at the roadside on appearance notices with first appearance court dates in June.

The names of the charged are not being released because one of them is a youth as defined by the Youth Criminal Justice Act – which prohibits police from identifying them.

If anyone has any information in relation to this case they are encouraged to contact the Shelburne Police Service at 519-925-3312 or anonymously through Crime Stoppers at 1-800-222-TIPS (8477) or online at [www.crimestoppersdm.com](http://www.crimestoppersdm.com).

## "DISCOVER POLICING FOR SAFER COMMUNITIES" DURING POLICE WEEK

May 15 to 21 has been designated as Police Week in Ontario by the Ontario Association of Chiefs of Police (OACP).

Police Week started in 1970 and is observed every year in May to coincide with Peace Officers Memorial Day, which is recognized internationally on May 15.

This year's theme is "Discover Policing for Safer Communities."

This year the OACP is encouraging the public to consider a rewarding career in policing.

The second part is to get the communities engaged with their local police, for the development of community/police partnerships to both help prevent crime, and help solve crime.

The Shelburne Police is encouraging everyone to make a habit of locking your vehicle, home, shed, and workplace at all times. This includes locking a vehicle while parked at home, while out shopping, while at work, and even while just quickly running into a convenience store.

It is also important to keep any valuables out of sight in the vehicle, including purses, GPS units, cell phones and tools.

Further, if anyone sees any suspicious activity, or hears anything suspicious, they are encouraged to call the police immediately – rather than waiting until the next morning to report it, or not reporting it at all.

"We work 24/7 and prefer to be notified right away of anything suspicious – regardless if it is in the middle of the day, or the middle of the night," says Constable Paul Neumann. "With immediate notification, there is a better chance we can prevent a crime from happening, identify the potential suspects, or quickly solve a crime."

## SPEEDERS HIT THE ROAD LAST WEEKEND

On Friday, May 13, Dufferin OPP were conducting speed enforcement on Highway 10 at 25th side road in the Town of Mono.

A Nissan Altima sedan was observed traveling at a high rate of speed. The vehicle was clocked at 135 km per hour in a posted 80 km per hour zone. A traffic stop was initiated and the vehicle was pulled over. A 20-year-old male from Malton was charged.

At 4.45 p.m. on Northbound Airport at 15th Sideroad in Town of Mono, a Honda Civic was clocked at 135 km per hour in a posted 80 km zone. A 51-year-old female driver from Brampton was charged.

At 7.10 p.m. on same date, an Acura SUV at Highway 89 and County Road 124 failed to stop for police. The 30 year old driver from Shelburne was located and charged with Fail to stop for police, G1 driver driving alone, Careless driving and expired validation tag.

On Saturday, May 14, at 7.30 p.m., police clocked a southbound Dodge Durango on Highway 10 and County 10 at 147 km in a posted 80 km per hour zone. A 25-year-old male driver from Markham was charged.

The above drivers who were travelling in excess of 50 km per hour over the speed limit had their vehicles and drivers' licenses impounded for seven days and will all appear in Orangeville Ontario Court of Justice at a later date.

LP Stage Productions' *The Wizard of Oz* "is a fun, feel-good show that will leave you singing the songs and feeling happy," says director Danielle Gamache. Once again, the company has taken on the challenge of double casting the show. "We are featuring a cast with some of the shows being performed with youth leads, and some of the shows being performed with adult leads," says Ms. Gamache. *The Wizard of Oz* runs May 27, and 28, as well as June 3 at 8 p.m., with matinees on May 29 and June 4 at 2 p.m. Tickets can be purchased by calling Grace Tipling Hall, Shelburne or by going to "Eventbrite" on-line. Tickets range from \$12-\$15 and may also be purchased at the door. PHOTO BY MARNI WALSH

## Click your heels three times and head over to Oz

Continued from FRONT

ard of Oz to the Grace Tipling stage," says Ms. Gamache. "These are characters that people already love, and it has been such an adventure to bring them to life with the talent that we have."

With almost fifty people in the cast, Daneille Gamache admits the company has "seen some challenges," but also says, it has been "an incredible experience to work with so many different people, each with something different to offer."

"The kids in this show have been working so hard," says Ms. Gamache. "A lot of them are experiencing their first time ever being on stage, and that is so wonderful to see! They are all having a blast exploring the world of acting, singing, and dancing and they are learning so much about performing in front of an audience and bringing a story to life."

"It is magical to bring so many dedicated people together and we are seeing a lot of team work here, especially with the older kids acting as mentors for some of our younger cast, going

as young as four and five years old. It is beautiful to see."

The director says the company has "tried to stay true to the film [audiences] all know and love."

"These are characters that people can now quote and that people are going to be looking for when they see the show," she says.

Ms. Gamache says she grew up loving this movie and story, and that there is a lot of excitement about the new song that wasn't seen in the film as well.

"This version includes *The Jitterbug*," she explains, "an incredibly exciting and high energy number featuring a lot of dancing and jazzy vocals."

Once again, the group has generously taken on the challenge of double casting the show. "We are featuring a cast with some of the shows being performed with youth leads, and some of the shows being performed with adult leads," says Ms. Gamache. "For some of our youth leads, this is their first time in a lead role, or even their first time performing with us. Gabriella Catenaro, our youth Scarecrow is brand new to LP Stage Productions Inc."

In the adult cast, Dorothy is played by Kristen Gamache, "who has always been heavily involved with choreography for our shows, and is now taking on a whole different role," says Ms. Gamache. "Our youth Dorothy, is played by Claire Bouzane, who has been taking on this huge role with a very positive attitude and hard work ethic. It has been incredible to see the progress that these kids are making and how hard they are all working."

Those who were lucky enough to catch LP Stage Production's last production *Spamalot*, will recognize cast members from that show taking on roles in the *Oz*.

Jason Riedel, who did a hilarious job playing Arthur in *Spamalot*, takes on the role of the Lion in the adult cast of *Oz*; Chris Warzin, the adult

Scarecrow, played Sir Galahad and Herbert in *Spamalot*, and Dale Lundy who played a delightful Patsy in *Spamalot*, now plays the adult Tinman in *Oz*.

Dale Lundy (the "L" in LP) is once again continuing his role as set designer, while Alison Port (the "P" in LP) is stage managing the show.

The youth witch is played by Hanah Hamilton, who, Ms. Gamache says, "has been involved in many of our LP productions."

"Avery Smith and Emma Springer, playing the youth Tinman and youth Lion respectively, and are also no strangers to working with LP Stage Productions," she says. "Kaylea Angus, who is the witch in the adult cast, was a part of LP Stage Productions' *Back to the 80s* back in 2010. Our wizards are played by Brody Ireton for the youth cast and Jack Brooks for the adult cast. Sarah Alexander plays adult Glinda with lots of charm, as does our youth Glinda, Naomi Cameron."

Ms. Gamache, who normally performs an on-stage role, says it is a very different experience to be directing other people and helping them explore their characters.

"You get so used to being a cast member and being told where to stand, what aspects of character to bring out, and getting feedback on how to enhance the performance, and now the roles are reversed," she says. "Now I am the one who is providing such feedback and helping the cast to enhance their performance."

"This is a fun, feel-good show that will leave you singing the songs and feeling happy. We have schools coming from all over the Shelburne and surrounding area. The response has been incredible and the cast and team are very excited to bring this show to so many schools."

*The Wizard of Oz* runs May 27, 28, and June 3 at 8 p.m. and May 29 and June 4 at 2 p.m. Tickets can be purchased by calling Grace Tipling Hall, Shelburne or by going to Eventbrite on-line. Tickets range from \$12-\$15 and may also be purchased at the door.

### Drop off your prescription drugs with Shelburne Police this Saturday

BY BROCK WEIR

Abuse of OxyContin and Fentanyl patches, and other prescription drugs, is on the rise in the area, raising concerns of the Shelburne Police and the Ontario Provincial Police.

As such, the OPP is joining forces with the Shelburne Police this Saturday, May 21, to get these drugs out of places where they can wind up on the streets.

Communities in Canada have seen a rise in deaths due to prescription drug misuse, says the OPP, and between 10 a.m. and 2 p.m. people can take part in the Prescription Drug Take Back at the Shelburne Police Station (203 Main Street) "to reduce access and availability of prescription medications and to those who should not have them."

"Some of the trends [we are seeing] is with adults having prescription drug medications, some teenagers will take them out of the drug cabinet and that sort of thing," says Provincial Constable Paul Nancekivell. "OxyContin and Fentanyl patches are on the rise in terms of being used by people and that is our concern, starting to see that down towards the Orangeville area and the north as well. We want to make sure people aren't selling their prescriptions or double doctoring. We have had some investigations over the past year where we have had people travelling to a number of towns around the area, and outside the area, getting prescriptions filled successfully and then selling them."

"Pharmacists are having to go in and become more and more vigilant and very careful in confirming with physicians whether they actually filled the prescription. That is our concern and that is why you are seeing doctors lately not issuing three month prescriptions for some of the stuff."

"Our policy is they walk up and hand it to us and it is about anonymity. We don't ask them where they got it or any questions. It is just taking it off the street and getting it safely disposed of. We're trying to respect [privacy issues]. It is a lot like Crime Stoppers. You are keeping your anonymity and your privacy. You walk up, hand it to us, and we take it - no questions asked."

It’s finally here – the first long weekend of the summer! Branch 220 wishes everyone a happy and safe weekend.

If you are not one of the lucky ones going camping or to the cottage, come into the branch and see what we have to offer.

On Sunday, May 22, at 1 p.m. until 6 p.m., we will be having our 2nd Annual Crokinole tournament. Bring an appetizer pot luck and good aim. Call the branch at 519-925-3800 to put your team in. We will be open on Monday, May 23, as usual and Bingo will begin at 6.45 p.m.

There will be no wings on May 27. They will resume on June 3 and continue every other Friday after that.

On May 26, the Ladies Auxiliary will be hosting their monthly luncheon of spaghetti and meatballs with Caesar salad and a garlic bun all for \$7 beginning at 11.30 a.m.

Congratulations to Denyse Choppee for being Elected to the office of Ladies Auxiliary President, Diane Ramsey as 1st Vice, Connie Dougay as Sargent at Arms/Sports Officer, Linda Orvis as Secretary/Treasurer and Mary Warman as Past President. We hope you all have a very successful year.

This is your last chance to sign up for the Zone doubles horseshoe tournament being held at Everett on May 28. You must register by Friday, May 20.

The General meeting is on May 24 at 7 p.m.

On behalf of everyone at Branch 220 we would like to thank Paula, Martin, Eric, Hal and Debbie for the generous donation of a stereo system for our front lounge.

**THE CORPORATION OF THE TOWN OF SHELBURNE  
NOTICE OF COMPLETE APPLICATION AND NOTICE OF PUBLIC MEETING  
UNDER SECTION 53 OF THE PLANNING ACT**

**TAKE NOTICE** that the Committee of Adjustment of the Corporation of the Town of Shelburne will hold a public meeting on:

**MONDAY, JUNE 6, 2016.**

The public meeting is scheduled to start at 7:00 p.m., or as shortly thereafter as possible, and will be held in the Council Chambers at the Municipal Office, 203 Main Street East, Shelburne. The purpose of the meeting is to consider the following planning application:

**Application for Consent B16/02** – Brookfield Holdings Canada Inc. has submitted an application for consent for a property located on the north side of Luxton Way in the Shelburne Industrial Park. The subject property is legally described as Part of Lot 31, Concession 2 in the Town of Shelburne. The property has an existing total area of 2.87 hectares (7.1 acres) with 143.4 metres of frontage on Luxton Way. The purpose and effect of the application is to sever a portion of the property having a land area of 0.4 hectares (1.0 acre) to create an industrial lot. The resultant remaining land will have a land area of 2.46 hectares (6.1 acres) and will maintain 105 metres of frontage on Luxton Way. The subject lands are currently vacant and no new use or buildings are proposed at this time. A map illustrating the location of the subject property and the proposed severance is provided below.

Take notice that the above application has been deemed complete so that it can be circulated and reviewed.

At the meeting you will be given an opportunity to ask questions and indicate whether you support or oppose the applications for consent. Written submissions will be accepted by the Secretary-Treasurer up to the time of the Public Meeting and will be given consideration by the Committee of Adjustment prior to a decision being made.

If a person or public body that files an appeal of a decision of the Committee of Adjustment of The Corporation of the Town of Shelburne in respect of the proposed consent does not make written submissions to the Secretary-Treasurer of the Committee of Adjustment of the Town of Shelburne before it gives or refuses to give a provisional consent, the Ontario Municipal Board may dismiss the appeal. If you wish to be notified of the decision of the Committee of Adjustment in respect of the proposed Consent, you must make a written request to Secretary-Treasurer.

Additional information relating to the proposed consent is available for inspection at the Town of Shelburne Municipal Office at 203 Main Street East, during normal office hours, 8:30 a.m. to 4:30 p.m. and on the Town’s website at [www.townofshelburne.on.ca](http://www.townofshelburne.on.ca).

Dated at the Town of Shelburne on the 18th day of May, 2016.

# Funding to our health care system will increase by over \$1 billion this year.

Investing in new and better ways for all Ontarians to get the care they need means:

- 700 new doctors and specialists
- 35 hospitals currently being renewed, modernized or expanded
- \$250 million invested in home and community care
- \$345 million invested to improve wait times and access to care

These investments ensure a strong health care system for both today and tomorrow.

It's time to clean up your ride and polish that chrome for the 3rd Annual Motorcycle Show & Shine and Ride at this year's Shelburne Street Festival, being held June 20 from 10 a.m. until 4 p.m.

The Street Festival's Motorcycle Show & Shine is hosted by Tattoo Addiction to raise funds for NICU at Sick Kids in memory of Cole, while the Rolling Thunder Ride portion is being hosted by The Widows Sons to raise funds for their CHIP program.

This event has continued to grow since its foundation and every year is different from the last.

The weather, the bikes, the magic of family coming out to see these two wheeled machines is the magic of the Show.

This event draws motorcycle enthusiasts and riders to unite and celebrate their love of two wheels; whether its vintage or new, a sports bike or a Harley, all riders come to show us why they love their ride so much.

Neil Peart of the legendary rock band Rush once said "We ride for joy, for freedom, weather, wildlife, curiosity, speed, escape, satisfaction, challenge and grinning out loud as we rail through a perfect curve. And when the bike is parked at the end of the day, there is a kind of joy: the elevated sense of accomplishment and survival."

A perfect way to describe why people love to ride.

"Last year saw close to 100 bikes turn up for the Show & Shine portion of this event and we are anticipating many more

this year with several bike groups already confirming their participation, including local all-women's Iron Maidens," say Scott and Mel of Tattoo Addiction.

Mel goes on to tell us "bike registration will begin at 9 a.m. at Tattoo Addiction at a cost of \$10 per bike entry.

This year the categories are: American Made, Foreign, Custom, Women's and People's Choice.

Tattoo Addiction plans on donating proceeds from the Show & Shine to NICU at Sick Kids in memory of Cole Young who passed away a 5 months old from a rare metabolic disorder.

"Chapman's has donated ice cream that we will be selling for \$2 a cone with all proceeds from these sales going directly to Sick Kids," Scott adds.

The Widows Sons are hosting the Thunder Ride portion of this event, with proceeds going to Masonic CHIP program.

Carey Widbur of the Widows Sons, a group of local Masons, tell the Shelburne Free Press that "Registration is not set at any monetary amount, however we will gladly accept any donations for this portion of the event."

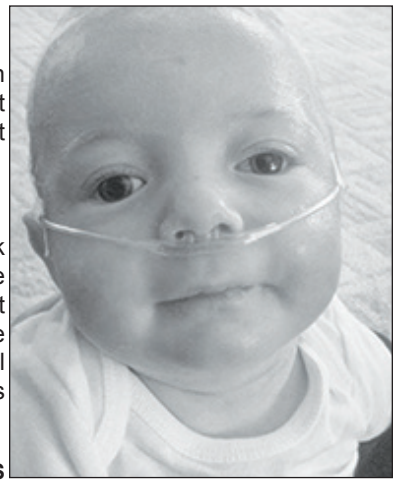

When asked about the ride, Widbur explains "The ride itself is going to be 100 to 150 kilometers through the rolling hills of Dufferin County and should last about three hours."

The motorcycles are scheduled to fire up and roll out at 2 p.m. from where they are parked for the Show & Shine, and should be not only an awesome sight but also an awesome sound too.

For more information on the Shelburne Street Festival go to [www.townofshelburne.on.ca](http://www.townofshelburne.on.ca).

## Jim Cuddy band is first major headliner for Heritage Music Festival

The Jim Cuddy Band will be the first major headliner of the 2016 Heritage Music Festival.

The announcement was made Tuesday by Lynda Buffet, organizing chair of the Festival.

The Jim Cuddy Band will take the stage on Friday, August 5 at the Centre Dufferin Recreation Centre.

"The concert will start at 8 p.m. and doors open at 7 p.m.," said Ms. Buffet. "All music events at this site are presented by the Rotary Club of Shelburne and this will be a first for Shelburne and we are all very excited as a Rotary Club, to be bringing such a top named Canadian entertainer and Juno Award winner to our new festival."

Concert details were revealed Friday on JimCuddy.com and fans are already purchasing tickets on pre-sale through BlueRodeo.Com.

Ticket sales will open to the public this Friday, May 20, when Rotary launches its new website at HeritageMusicFestival.com. In addition to ordering tickets through the website, tickets will also be made available at Holmes Music and Appliances in Downtown Shelburne.

"And as for our Fiddle Fans, they will continue to enjoy our Canadian Open Fiddle Championship events once again this year, as we move into our 66th year," said Ms. Buffet. "This event is the basis of our established musical heritage in Shelburne and it will continue as part of our festival for years to come. After all, this event put Shelburne on the map!"

"I am sure anyone who travels and gets asked where they are from, experience the same thing as I do. No matter where you travel in North America when you say you are from Shelburne, everyone always says, 'Oh I know where Shelburne is- isn't that where the Canadian Open Fiddle Championship takes place? So you know it's been a great tourist event for the town.'"

The Thursday evening lineup launches the Canadian Open Fiddle Championship and will feature The Next Generation Leahy. The contest continues on the Friday from 10 a.m. until 5 p.m., which will be followed by the Jim Cuddy Band performance.

The Saturday evening contest finale will feature McLeod – a group that's coming together once again to entertain the crowd. The group consists of four former contest winners: Scott Wood, Shane Cook, Matthew Johnston and James Bickle."

"We will be making ongoing updates about other events taking place in the festival on the new website, so the public can check back regularly to get all the information they need," added Buffet.

## Paw Patrol is coming to Shelburne

BY MICHELLE JANZEN

Paw Patrol is one of the biggest things going in kids' TV and next Sunday, May 29, four of the Play Pups will be at Infinite Play located at 485289 Country Road 11.

The Play Pups will make their first appearance from 10 a.m. to 1 p.m., and then again from 2 p.m. until 5 p.m.

This children's show is a computer-animated Canadian series about a boy named Ryder and his team of problem-solving dogs in a town known as Adventure Bay.

It is aimed at preschool children and the dialogue is simple and easy to understand, and the episodes follow a clear pattern.

Paw Patrol stories are based on the concept of teaching kids to assemble the right tools for a project. Someone's in trouble, usually another animal, and they have to gather, analyze what the problem is, and then deploy the right dogs to go solve that problem.

Led by 10-year-old Ryder, the pups of Paw Patrol are rescue dogs in training.

Each pup is inspired by a real-world job like fire fighter, police officer, and construction worker.

When trouble strikes Adventure Bay, they're there to save the day. Whether it's a cat in a tree or a train off the tracks, they always find a way to help those in need.

Skye is a fearless and smart Cockapoo who loves to fly in her helicopter, or with the wings in her pup pack. She tries everything with a backflip, grace, and a smile.

Using his police truck and megaphone, this German Shepherd is an athletic natural leader who likes to take charge. Chase may be on the case, but he has to watch out for cats and feathers because he's allergic.

Rocky is a mix-breed pup that always has handy resources. He's an enthusiastic recycling dog with a thousand ideas and tools inside of his pup pack.

From the firehouse to his fire truck, Marshall is a Dalmatian who is all action, easily excited, and the clumsy one of the group. The pups will always hear Marshall say, "I'm okay!"

Along with this event, Infinite Play also offer many other specialities throughout the month such as Tuesday Playdate, which includes coffee, breakfast and play time for \$5 before 11 a.m. and, on occasion, there is a speaker or demonstration.

New at Infinite Play is a monthly Paint Night being held the third Friday of every month, with limited seating. Just painting is offered at \$30, dinner and painting offered at \$40 and dinner, painting and babysitting offered at \$50. Dinner is catered from a local restaurant and tickets must be pre-ordered for this event.

Infinite Play continues to offer other specialized days for children and workshops that are available for anyone to join, as well as their fantastic, competitively priced birthday parties.

Why worry about cleaning up before and after a bunch of people come to your house for a party? Let Infinite Play take care of it all for you from food to loot bags they do it all.

## Junior Cubs win inaugural NDBL game

BY BRIAN LOCKHART

The Mansfield Cubs junior division team won their first ever game as a club in the North Dufferin Baseball League with a 9-1 win over the Midland Twins on the diamond in Mansfield on Saturday, May 14.

The Cubs got off to a good start bringing in five runs in the first inning that set the tone for the rest of the game.

Midland got on the scoreboard in the third inning on a single to centre field that brought in a run.

The Cubs' Jake Nicholson hit a double in the fourth quarter then advanced to third base, but the Cubs couldn't capitalize and the side retired on the next at bat.

Two more runs were added to the Mansfield total in the fifth inning starting when Jordan Metz got on base with a single, then advanced to third on a steal to put men on second and third base.

Two more singles from Stuart Manson and Matt Cameron widened the score to 7-1.

The highlight of the game was Jake Cur-

rie's two-run home run in the sixth inning that ended the game with a 9-1 Mansfield win.

The Cubs played a solid defensive game that shut down the Midland squad and kept them from getting on base in the last three innings.

"We didn't necessarily have a whole bunch of spectacular diving plays, but nobody messed up any ground balls," said Cubs coach Dave Metz. "There was a couple of plays from centre field that were pretty good. It's only a four team league. Almost all of our team are first year players."

The talent pool is deep on this squad and Metz said they got a lot of pitching capability on the team.

"We had an exhibition game and we decided to do one inning at a time, and we had ten pitchers," Metz explained.

The Cubs will be in New Lowell on Monday, May 23, to take on the Knights.

They return to the Mansfield diamond on May 27, to host the Ivy Rangers.

The first pitch is scheduled for 6.30 p.m.

The Mansfield Junior Cubs made their inaugural debut in the North Dufferin Baseball League (NDBL), hosting the Midland Twins on the diamond in Mansfield on Saturday, May 14. The Cubs came out on top in their game leaving the diamond with a 9-1 win over the visitors.

## Frigid weather cancels NDBL games

BY BRIAN LOCKHART

Unseasonably cold weather has been playing havoc with local sports teams as spring just can't seem to make an appearance.

The sudden cold snap over the weekend caused games to be canceled around the region.

Six scheduled games on the North Dufferin Baseball League senior scheduled had to be rescheduled after snow flurries on Sunday morning made diamonds unsuitable for play.

The Mansfield Junior Cubs got their Saturday game in, but their Sunday game against the Ivy Rangers had to be called off.

In the senior division, the Mansfield Cubs didn't make it to their scheduled evening game in Alliston against the Allison Athletics.

The Cubs were looking for their first win of

the season.

The Senior team took a loss in their first outing of the season when they went up against the Creemore Barons.

It was a bad fifth inning when the Barons scored seven runs to pretty much end the game and deliver the Cubs' first loss of the year.

The Club took another loss on Wednesday, May 11, when they hosted the Clearview Orioles in Mansfield.

Sunday's cancellation means the Cubs will have to reschedule the game against Alliston later in the season.

They have two road games scheduled for this week before returning to their home park in Mansfield on May 25, when they will host the Orangeville Giants.

That game is scheduled for 6.30 p.m.

## Junior C Vets still looking for first win

BY BRIAN LOCKHART

They're scoring, but they're just not coming out on top so far.

The Shelburne Junior C Vets are still looking for their first win of the season after four games.

The Vets' season got underway on Friday, May 6, when they hosted the Halton Hills Bulldogs at the Centre Dufferin Recreation Complex, but they came up short taking a 17-7 loss to the visitors.

In Game Two of the season, the squad travelled to Six Nations to take on the Warriors. It was late in the second frame before the Vets could score and they had to settle for a 19-4 loss.

Returning to their home floor at the CDRC on Friday, May 13, the Vets put up a good fight

against the Warriors in their second game in a row.

This time, the Shelburne team managed to get through the Warriors defence to score nine times, but a third period that saw the Vets outscore the Warriors 3-2 came a little too late and they had to settle for an 11-9 loss.

The second game of the weekend had the Vets in Oakville to take on the Buzz.

After playing to a 4-4 tie in the first period the Vets ran into trouble and ended with a 21-10 loss.

The loss leaves the Vets tied with Mimico for last place in the West Division of the OJCLL.

The Vets will return to the CDRC this Friday, May 20, to host Oakville.

Game time is 8.00 p.m.

# Christian Perspectives – Our ultimate goal is not heaven

REV. BOB MCLELLAN  
GRACE CHURCH OF THE NAZARENE

There came a day when the disciples of Jesus asked Him how they should pray, and He replied, "This, then, is how you should pray: 'Our Father in heaven, hallowed be your name, your kingdom come, your will be done on earth as it is in heaven. Give us today our daily bread. Forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from the evil one.'" Matthew 6:9-13 (NIV)

When Jesus taught His disciples to pray, His focus was not on helping people get ready to

escape earth and get to heaven. His focus was on empowering them to live in a way that established His Kingdom here on this earth.

Far too many individuals are looking for the bailout day when Jesus returns.

Instead we ought to be engaged in the process that allows His will to be done on earth as it is in heaven.

There is an insidious myth that prevails today which states our world is so influenced by sin and evil there is nothing we can do about it.

Nothing we can do about it? That thinking does not reflect the kind of God I serve or the power of God that is available to work in and through His people!

The Apostle Paul wrote to the Church at

## Crossroads Community Church The Necessity of Future Mindfulness

Pastor Don opened in prayer, humbly praising God as the creator and sustainer of all things; our past, present and future: praying we remember to keep our Lord as our number one priority, even in the face of deceitful temptation; asking our Lord Jesus to guide us in being more Christ-like as we walk the path chosen for us, placing God's will above our own.

As the world seems to spin out of control, we can easily forget our priorities.

Studying "The Necessity of Future Mindfulness – Our Priorities", Deuteronomy 5:1-7 we learn God's first priority is, "You must not have any other god but ME."

Today's society, in general, build their lives around things other than the one true God.

The main focus of everyone should be to give Glory and Honour to our Lord and Saviour.

If you feel you need to re-prioritize and put God first, follow the subsequent steps: recognize where you are in life; renounce the tangible, unworthy, substitute god; repent; restructure your priorities so pleasing God is your motive for everything you do; examine yourself every day to ensure God is first.

"To do" lists are things we all do to prioritize the importance of day to day activities. Unfortunately, the subconscious need to, maybe, work overtime to pay bills and complete the rest of the list, supersedes family time.

The dictionary defines priority as, "the state of having the most importance ..." Jesus gives us the answer in Matthew 6:33. God must be THE priority, not one of the priorities.

We are going to study King David, a man who held God as a priority, lost sight of Him and then regained God as the number one priority. Scripture says in Acts 13:22 how God replaced Saul with David as King. The confusion of life can cause us to lose sight of what is really important and, once that happens, our lives will begin to unravel. The only way to have the best possible life is placing our relationship with God, first. Knowing this is one thing but committing to it may cause a struggle in front of co-workers, family and friends.

Let's go back to reviewing the life of David who replaced King Saul. 1 Samuel 16:1 tells Samuel the Prophet to find a son of Jesse who lives in Bethlehem. What is interesting is the first seven sons presented were bigger, stronger and more experienced but were rejected by the Lord.

1 Samuel 16:17 illustrates the Lord looking beneath outward appearances and seeing only what is in the heart. God judges faith and character and is accurate because He looks inside each of us. David was chosen based not on his appearance but because his heart was right with God.

The oil Samuel used to anoint David stood for holiness, setting people and things apart for the service of God. David was successful in all he did because he had made his First Priority, his relationship with God; he knew God was with him.

We all know the story of how the young boy David won the battle against the giant Goliath.

He did so because of the confidence he had in the Lord. 1 Samuel 17:45. Eight times in 1st and 2nd Samuel we read how David inquired of the Lord before each battle whether or not he should pursue his enemy.

David put God first and was blessed. We see this again in the many times David escapes Saul's attempts to kill him. 1 Samuel 18:7

As we continue to read about David in the scriptures, we begin to notice David inquiring of the Lord less. 2 Samuel 11:2-4 illustrates David falling away from God when he turns his eyes on Bethsheba, the beautiful wife of Uriah.

As David focused on his own desires, he chose to follow temptation, rather than electing to turn away and look back on God. David had every opportunity to stop. But just like a toboggan ride down the hill, it is easier to stop before you pick up momentum.

The best solution is to stop sin before it starts and that means placing your relationship with God as your first priority. Always inquire of the Lord, "Is this the path you want me to take Lord?" If you are unsure, have Christian friends pray with you. James 1:14-16

We can question why Bethsheba was bathing where David could see her. But if David had inquired of the Lord as to the path he should take, do you think God would have sent messengers to get Bethsheba for David to sleep with her? Of course not. So, it is from this point David's life spins out of control.

Verse 5 explains when Bethsheba tells David she is pregnant with his child, David tries to cover it up by instructing Joab to have her husband Uriah killed. How could a man after God's own heart do this? He did it because he had failed to put God first.

We have all heard of the Holy Trinity: Father, Son and Holy Spirit. But have you heard of the unholy trinity: me, myself and I? David fell into this trap. Here is a man who loved the Lord, had walked closely with the Lord, begin to slip away. Have we ever done this? Do we ever get distracted at home; with work; with friends; or a host of other reasons? God becomes less and less our priority. We need to work at keeping God as our top priority every day.

Our second priority needs to be our relationship with our family. But, again if we put our family relationship ahead of God, we will have problems in the family. If we put work ahead of family, we will have problems in the family. It is easy to become unbalanced. But as long as we commit our lives to the Lord it is easier to maintain our priorities.

David's sins took him away from God but repentance brought him back. 2 Samuel 12:13 Repent to God with anything and you will be forgiven. Romans 3:23 God is in control and His priorities take precedence over ours. Life is short and we must choose to keep our priorities straight and live by them. May the Holy Spirit anoint these words.

AMEN.

Ephesus and recorded his prayer for the people, "Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, {21} to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.

The Apostle John wrote in 1 John 4:4, "You, dear children, are from God and have overcome them, because the one who is in you is greater than the one who is in the world."

God's power at work in us is limited only by our faith and willingness to implement it.

Jesus' challenge in Matthew 28:19-20 to His disciples was, "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, {20} and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Myles Munroe, in his book, "God's Big Idea: Reclaiming God's Original Purpose For Your Life" wrote, "He assigned us to tell others about the Kingdom of Heaven that has come to Earth, and then, once their hunger for

the Kingdom has been stirred up, to tell them how they can enter the Kingdom through faith in Christ. We talk so much about 'witnessing' to people to try to get them into Heaven. That is the wrong emphasis. When we discover the ministry of Jesus Christ, we discover that he was not after trying to get people into Heaven. He was bringing the Kingdom of Heaven to Earth and was after getting people into the Kingdom."

What you think and what you believe and what you say and the intentions of your heart matter, because they impact your actions which determine the outcomes in your life.

Rather than reciting the Lord's Prayer it is time to collaborate in the process of making its components become a reality in our world.

Our ultimate goal is not to get to heaven. That is a by-product of a life lived in full commitment to God's will on earth as it is in heaven. It is a gift of God which comes to us through our decision to accept and apply the benefits of Jesus' death on the Cross of Calvary to our personal life and daily living out the transformation He has made possible.

## HELP WANTED

### EMPLOYMENT OPPORTUNITIES CENTRE DUFFERIN RECREATION COMPLEX

Applications are being received for the position of:

#### 2016 Seasonal Summer Season-June through August LIFEGUARD/INSTRUCTOR

The CDRC Board of Management is seeking a positive, team-oriented individual to fill the above mentioned position. Under the direction of the Facility Administration Manager, the successful candidate will be involved in a diverse range of job activities to provide successful summer outdoor swimming pool programs. The job may require some physical requirements. The successful candidate must be available to work scheduled week day, week night and weekend shifts. The job requires strong interpersonal and communication skills in order to work well with other staff, children, volunteers, parents and the general public. A background in recreation would be an asset.

Full details for all these positions including hours of work and wage ranges, are available on the Town of Shelburne website at [www.shelburne.ca](http://www.shelburne.ca)

Resumes for the Seasonal Lifeguard/Instructor position will be received until 1:00pm on Tuesday, May 24, 2016 by email or in person, addressed to:

Kim Fraser, Facility Administration Manager  
 Centre Dufferin Recreation Complex  
 200 Fiddle Park Lane, Shelburne, ON L9V 3C9  
 Email: [kfraser@shelburne.ca](mailto:kfraser@shelburne.ca)

Please note position applying for on cover page.  
 We thank all applicants for their interest and advise that only those selected for an interview will be contacted

DEATHS

**BUTCHER, Ruth  
Yvonne (nee Emerick)**

1928-2016

It is with heartfelt sadness that we announce the passing of Ruth on Friday, May 13, 2016 at the Shelburne Residence with her family by her side. Loving wife of the late Robert. Devoted mother of Deborah (Grant) Bennington, Paul (Sue) and Mark (Kathie). Proud grandma of Sarah Barnes, Daniel (Brianna) Bennington and Jessica (Justin) Popovic, Luke (Sarah) Butcher, Rebecca (Mark) Costello, Katy-Jo (Scott) Anderson and Kelly (Lauren) Beckett and 14 cherished great-grandchildren. Friends and family will be received at the Jack & Thompson Funeral Home, Shelburne on Thursday from 7-9 p.m. A Memorial Service celebrating the life of Ruth will be held in the funeral home chapel on Friday, May 20, 2016 at 1:00 p.m. If desired, donations to Headwaters Health Care Centre, World Accord or the O.S.P.C.A. would be appreciated.

**HILDA  
MAY PROCTOR**

It is with great sadness that the family announces the passing of Hilda May (White) Proctor, at her home in South Haven on Wednesday, May 11th, 2016 in her 90th year. Born December 3rd, 1926 in Ingravport, Nova Scotia. She moved to Toronto where she met her future husband Russell James Proctor, of Shelburne, Ontario and they wed in 1950. After the birth of their daughter, she became a foster and adoptive parent and general neighbourhood mother. Mrs. P's home was always open and welcoming to all. In 1990, Russ & Hilda retired to South Haven, Cape Breton where they were welcomed with true East Coast hospitality. She was an active member of her Community. Hilda enjoyed time bird watching and in her gardens and looked forward to when the days would be just a wee bit warmer. She was a long time member of the Atlantic Mission Society, and attended the Ephraim Scott Presbyterian Church in South Haven.

She was a loving mother of, Sharon Proctor and friend, David Evans of South Haven; Grandmother of Christena & the late Dave Mels of Delhi, Ontario; Gerald Doyle of Regina, Saskatchewan, and Michael & Kristina Doyle, of Delhi, Ontario; Great-Grandmother of Desiree, David, Kayla, Dakota, Kyle, Ashley, Emma, and Poppy all of Ontario; Sister of Vera Oliver of Milton, Nova Scotia, Sister-in-law of Marjorie White of Liverpool, Nova Scotia; Aunt and Great-Aunt to many. Predeceased by her parents, Harry Samuel and Selina Ann (Finch) White; her husband Russell; son Keith; brothers Bill, George, and Bernie White; sisters Alice Crow, Irene Ross, and Doris Thistle.

In lieu of flowers, donations may be made to Ephraim Scott Presbyterian Church, South Haven, Canadian Arthritis Society or The Heart & Stroke Foundation. A service will be held Tuesday, May 24th at Trinity United Church, 200 Owen Sound Street, Shelburne. Interment at Shelburne Cemetery. A reception will follow at the Royal Canadian Legion, 203 William Street, Shelburne.

Online condolences may be placed at www.jackandthompsonfuneralhome.com

CANADA ROAD SAFETY WEEK

This is Canada Road Safety Week, a national campaign aimed at making Canada's roads the safest in the world.

This year's initiatives will focus on the "Big 4": impaired driving, seatbelts, distracted and aggressive driving. The campaign is a collaborative effort that police forces right across Canada participate in an initiative designed to remind people that an essential part of the enforcement component is to save lives and reduce injuries on our roadways.

Statistically, in the Ontario Provincial Police (OPP) in Central Region when comparing 2014 compared to 2015, fatal and personal injury collisions combined increased by 7.87 per cent.

What was noticeable was that Wednesdays were reported as having the least amount of collisions and Saturdays being the most.

Distracted driving is the number one cause of these collisions.

"Distracted driving is not acceptable when you are operating a motor vehicle," states Chief Superintendent Howe, Regional Commander of the OPP Central Region. "If you are pre-occupied, talking on your cell phone or texting, you are not focused on driving. It is up to all of us to make Canada Road Safety Week the safest in the World"

## Shelburne Library News: Lego Club

SHELBURNE  
Public Library

BY ROSE DOTTEN

For the last two LEGO meetings, our kids have enjoyed using the new Little Bits set. This STEM based learning set helped our members build creations with moving and changing parts through basic circuits.

The first week we used the Little Bits to put beacon lights on our spaceships, and last week we used wind power (via a fan) for a variety of wind projects.

Members were encouraged to look at some resources on wind power prior to starting their creations.

As pictured here, this group used a fan to give a realistic effect to their tornado! Who would have thought to harness the power of a tornado for electricity? Very cool.

We will be putting on more Little Bits programs throughout the summer to extend and enhance literacy and love of learning in our young members - even when school is out!

Keep an eye on our website and Facebook pages (/shelburnelibrary) to stay up-to-date.

### CHILDREN'S PROGRAMS

The Super Readers Club is finished for now. We are now gearing up for the TD Summer Reading Program that starts on July 9. Keep watching the web site or check at the Library for more details and registration sheets.

Paws to Read with Mac the poodle, has a couple of spaces available if you would like to participate by reading to Mac, call us. He loves to hear stories.

Check the web site or call 519-925-2168 for more information about any of these programs.

### TEEN SCENE

The Teens spent last Thursday night doing some more creative writing. Once again they produced completely different, hilarious accounts of a not-so-amiable coffee date.

By request, we are going to do a group writing activity on Thursday, May 19! We will undoubtedly have a few laughs and a couple of ingenious ideas! Stop by between 6 and 7 p.m. to join in! Lastly, this is another reminder about the Teen survey in the YA section of the library; fill it out to tell us what you want to do at the

library this summer and put your name on it to be entered into a draw!

### IN OTHER NEWS...

This week we have three huge boxes of new books to open, so watch the KOHA website for notice when they are catalogued. Many are ones by your favourite authors and I know you have been eagerly awaiting them. I am excited about some of the new gardening books and have the Plant Lovers Guide to Primulas and the Plant Lovers Guide to Clematis... and I can't resist taking a peak.

### NEW BOOKS

#### Fiction:

Predator by Wilbur Smith and Tom Cain  
The Eleventh Man by Ivan Doig  
The Shadow Patrol by Alex Berenson  
Meet Me at the Cupcake Cafe by Jenny Colgan  
Something to Hide by Deborah Moggach  
A Walk in the Sun by Michelle Zink  
Hidden by Emma Kavanagh

#### Non-fiction:

Grow Native: Bringing Natural Beauty to Your Garden by Lynn M. Steiner  
Lean in 15: the Shift Plan by Joe Wicks  
The New Confessions of an Economic Hit Man by John Perkins  
Katie Chin's Everyday Chinese Cookbook  
Marching to Armageddon: Canadians and the Great War 1914-1919 by Desmond Morton  
Grit: the Power of Passion and Perseverance by Angela Duckworth

**GIVING BACK TO THE COMMUNITY** – Trillium Ford is supporting the Shelburne Torch Run for the fourth year in a row. This year, the event takes place on Wednesday, June 1st (rain or shine) from Fiddle Park and is hosted by Shelburne Police Service. The 4km walk/run is not a race, but rather a community effort to support Special Olympic athletes through awareness and fund raising. Escorts from the police, fire and ambulance will be in attendance, and a school bus follows the walkers/runners for anyone who needs a break. A free barbecue takes place after the event in the No Frills parking lot, where an awards presentation will also occur. Pictured here is sales specialist, Bruce Lyon of Trillium Ford, with Shelburne Police Service Constable, Jennifer Roach. Bruce is presenting Const. Roach with a cheque for \$200 in support of the event. For more information, or to register for the Shelburne Torch Run, call 519-925-3312. Donations and pledges are also welcome.
