In the Feb. 2 edition of the Shelburne Free Press, the cutline on the front page photo was mixed up with the cutline of the photo on Page 6, captioned ?PAN-AFRICAN FLAG RAISING.? The front page photo shows the raising of the Pan-African Flag at the Museum of Dufferin and incorrectly states it was at Jack Downing Park. The Page 6 photo shows the Pan-African Flag being raised at Jack Downing Park and incorrectly states it was raised at the museum. The Citizen apologizes for any confusion this error might have caused.
