Donations made following Strawberry Supper

Dear editor:

The Honeywood Community Strawberry Supper was held on July 1st, 2015, at the Honeywood Arena. This supper was sponsored by the Honeywood Take?A?Break group along with much support from the community.

Our group could not have held their event without the amazing help from everyone who helped prepare salads, baked our amazing desserts, took tickets, helped with set-up, serving and cleanup and in many other ways to make this a true community event. Thank you to all!

We are pleased to inform the community that a donation of $1000 each has been made to Honeywood Figure Skating Club, Honeywood Minor Hockey, Mulmur?Melancthon Fire Association and the Shelburne Food Bank fulfilling our support for community projects and outreach.

We sincerely hope the donations will help each organization.

Honeywood Take?A?Break Group
