Staff Pick of the Week: The Midnight Feast by Lucy Foley ? It's the opening night of The Manor, the newest and hottest luxury resort, and no expense, small or large, has been spared. The infinity pool sparkles; the ?Manor Mule? cocktail (grapefruit, ginger, vodka, and a dash of CBD oil) is being poured with a heavy hand. Everyone is wearing linen. But under the burning midsummer sun, darkness stirs. Old friends and enemies circulate among the guests. Just outside the Manor's immaculately kept grounds, an ancient forest bristles with secrets. Before long, the local police are called. Turns out the past has crashed the party, with deadly results.

Why Jade recommends this book ? The worst part about devouring a book by a beloved author is how quickly the read is over and then the subsequent wait for the next book.

Personalities clash and you can be sure that not everyone is who they say they are. We have an LP copy at the library or you might just find a regular print out at our kiosk.
