Signs of impaired driving

Officers from the OPP urge drivers to dial 9-1-1 if you feel you are following or witness an impaired driver on our roadways. Impaired drivers are a danger to everyone on the roads, and spotting one definitely warrants an emergency 9-1-1 call to police. Typically impaired drivers can have the following driving habits to watch for:

? Making wide turns
? Weaving, swerving or straddling the centre line
? Almost causing a collision
? Driving on the wrong side of the road
? Driving at a very slow or very fast speed
? Stopping without cause
? Braking erratically
? Driving after dark without headlights on
