Upcoming events at Cobwebs & Caviar

Poppin' Poppies
? Friday, Oct. 30 ? 10 a.m. to 4 p.m.
This class focuses on two great techniques. Spend part of the day playing with fabric and thread,using water-soluble stabilizer and embroidery hoops to create 3D flowers. Then learn how to make the flowers and piece the strata blocks.
The poppies can be made interchangeable so you can replace them with another flower, such as a poinsettia, for a different season.
$60 (+tax), plus pattern and fabric
Sensational Sunflowers
? Saturday, Oct. 31 ? 10 a.m. to 4 p.m.
Golden sunflowers stand tall in this lovely wall hanging or purse. Use raw edge fusible appliqué and dimensional appliqué to bring them to life.
$60 (+tax), plus pattern and fabric
The only policy we're adamant about is that you have fun that you have a fun time, quilting and learning. We never promise you'll finish the project in class but you will have a good time trying!
10 per cent discount on any fabric bought for a class ? we appreciate your business but we understand when you want to use stuff from your own stash.
