WINNING MOMENT: Local superbike racer Cole Alexander claimed two championships at the Canadian Tire Motorsport Park in Bowmanville on Sunday, Aug. 10. Cole competed in two classes, winning both, in what has been described as a historic moment in Canadian motorcycle racing. He won the EBC Brakes Amateur Supersport and AIM Insurance Amateur Superbike classes. Read a full story on Page 6.

Act of Remembrance: Local veteran provides Highway of Heroes sticker to emergency services

Written By PAULA BROWN
LOCAL JOURNALISM INITIATIVE REPORTER

For nearly 20 years, Dufferin County veteran Chris Skalozub has run a local initiative to have Highway of Heroes stickers on every emergency service vehicle in the community.

"As a legionnaire and a veteran, I want to keep remembrance around. When people ask me why I do this, I say it's my way of saying thank you," explained Skalozub, who currently serves as Branch Service Officer for Veterans at the Shelburne Legion.

Skalozub started the Highway of Heroes decal initiative with his best friend and fellow veteran, Robert "Bob" Marston. The initiative gets its namesake from the Highway of Heroes, a 170-km stretch of Highway 401 from the Canadian Forces Base in Trenton to Toronto, which pays tribute to fallen Canadian soldiers.

Skalozub served from 1973 to 1974 as a medical assistant in the Canadian Forces and completed one tour in Germany. Marston,

who was Canadian, was a veteran from the United States and served during the Vietnam War conflict.

The duo continued to run the Highway of Heroes decal initiative together until Marston's death in March of 2019. Following Marston's passing, his wife, Joan Crawford, began assisting with the initiative to carry on her husband's legacy.

Skalozub recently presented the Shelburne & District Fire Department (SDFD) and the Dufferin County Paramedic Service with new decals for their emergency vehicles.

"Shelburne & District Fire Department is proud to display the Highway of Heroes Support Our Troops decals on all fire apparatus. It's a small item, but for all our volunteer firefighters, a significant gesture to honour the sacrifice of Canadian soldiers who have made the supreme sacrifice in the line of duty serving our great nation," said Shelburne Fire Chief Dave Pratt.

Local veteran provides Highway of Heroes sticker to emergency services

Continued from Front

“Dufferin County Paramedic Service is proud to honour our fallen soldiers by displaying the Highway of Heroes decal on our ambulances and emergency response vehicles. These brave individuals made the ultimate sacrifice to protect the freedoms we enjoy every day,” said Gary Staples, Chief of Dufferin County Paramedic Services.

While the decals commemorate the sacrifices of Canadian veterans, they are also used as a way to acknowledge the service and sacrifice of first responders.

“They have the status of being called a veteran, and can become a member of the Royal Canadian Legion. It’s how we appreciate their service,” said Skalozub.

Each year, Skalozub provides between 14 to 20 sets of decals to the different emergency service departments in Dufferin County. The cost of creating the decals comes out of Skalozub’s own pocket, with a single decal averaging anywhere from \$1.90 to \$3.

After almost two decades of running the initiative, Skalozub expresses pride in the longevity of the movement and said he plans to continue with the initiative as an act of remembrance

“I think it’s a fabulous thing to see, and I love seeing out vehicles when they go by and knowing I did that,” concluded. Skalozub.

LOCAL INITIATIVE: Local emergency service workers hold up Highway of Heroes stickers they will be affixing to their emergency vehicles. The stickers are part of an initiative spearheaded by Shelburne Legion veteran Chris Skalozub.

Shelburne Cricket Club asks Council to set aside funding for upgrades to KTH Park

Written By PAULA BROWN
LOCAL JOURNALISM INITIATIVE REPORTER

The Shelburne Cricket Club is asking the Town of Shelburne to bring upgrades to the fields at KTH Park for their 2026 season.

During their meeting on Monday (Aug. 25), Shelburne Town Council received a presentation from Shelburne Cricket Club President Ahsen Siddiqui and vice-president Greg Park-er.

The presentation from the Shelburne Crick-

et Club requested that Council look at implementing a number of upgrades to KTH Park.

The Shelburne Cricket Club said they are making the request “to enhance KTH Ground facilities for players, officials, and spectators, making it safer, more functional, and community-friendly.”

The Shelburne Cricket Club was initially established in 1893, but over the decades, it slowly faded out. In 2019, a group of residents revived the club with a small number of players from the Shelburne and Dufferin County

communities participating.

Since its re-establishment five years ago, the Shelburne Cricket Club has grown to have roughly 120 players playing in house league and tournament teams. The Shelburne Cricket Club season runs from May to October, during which the club plays anywhere from 35 to 45 games.

“Imagine the wear and tear that is happening,” said Siddiqui.

The Shelburne Cricket Club outlined the growing cricket community and its usage of the KTH Park facility as one of the biggest reasons for the needed upgrades.

Siddiqui said the increased usage of the facility by not just the Shelburne Cricket Club and the damage to the fields has led to player safety concerns.

The club also noted that the upgrades would attract youth players and visibility in the community.

“If we increase the durability of the playing area where we are, it will attract more spectators,” said Siddiqui

The upgrades the local cricket club is requesting include a graded pitch that is rolled and level for safe playing; a shaded gazebo or small shed with seating and weather protections; electoral outlets and lighting; permanent installation of the club’s manual scoreboard; and a water fountain for clean drinking water.

“We’re not talking about drastic changes, just minor changes, if possible,” said Siddiqui.

According to the Shelburne Cricket Club, the requested upgrades could cost between \$6,000 and \$19,000.

Shelburne Town Council accepted the presentation for information and will include it in the 2026 budget process.

“I appreciate the timing of this. I think the list of asks is clear enough that we know what you’re after. As we work through the budget process, we can try to firm up some of these numbers...and see what we can do,” said Shelburne Mayor Wade Mills.

To learn more about the Shelburne Cricket Club, visit www.shelburnecricketclub.com.

SCOTT MARTIN PHOTO

UPGRADES NEEDED: The Shelburne Cricket Club is seeking funding from the Town of Shelburne for improvements to KTH Park to support cricket matches. Shelburne Council said it will consider the request for between \$6,000 and \$19,000 during the annual budget process.

OPINION

There's no room here to debate why this should be the case, but the first step in changing it would be to acknowledge ruthlessly that it is so. Changing the maps is not enough.

A cartoon illustration of a green, furry monster with horns and sharp teeth. The monster is holding a large sign that says "HOMEWORK" and is surrounded by stacks of books. It has a speech bubble that says "HEY! HOW WAS YOUR SUMMER?". A young boy with blonde hair, wearing a red shirt and a backpack, is standing next to the monster, looking at a green phone. He has a speech bubble that says "YOU AGAIN?!".

COMMUNITY VOICES

Monthly Message: FTP to host free Community Appreciation Open House for 40th anniversary

Family Transition Place (FTP) invites the community to celebrate 40 years of providing hope to Dufferin and Caledon at an open house this September.

This year, FTP is celebrating 40 years of providing safety, support and hope within the Dufferin and Caledon communities. This longevity and milestone are both the unfortunate reality of the enduring and growing need for its services and support as a violence against women agency, yet also a beautiful testament to this community's commitment to and belief in FTP's work.

FTP first opened its doors in 1985 and was started by a group of dedicated volunteers who saw a growing need in the community for a safe place for women and their children who were experiencing domestic violence. Originally located in a residence on Hillside Drive in Orangeville, as the demand for diverse services increased, so too did the need for space to provide them. Following a successful \$500,000 capital campaign in 1997, FTP built and moved to its current location at 20 Bredin Parkway – a 19,000 square foot facility housing its emergency shelter and all programs and services under one roof.

Satellite offices are also located in both Shelburne (at the Mel Lloyd Centre) and in Bolton (at 18 King Street East) where additional services are provided, including the Rural Response Program specializing in supporting the unique needs of individuals living in rural Dufferin County.

The collective support of countless volunteers, staff, donors, funders, community partners and stakeholders has continued to shape FTP's 40-year history. To show their appreciation for this community's ongoing support and commitment to its work, FTP staff are opening the doors and invite you to join them at their community appreciation open house.

Everyone is welcome at this family-friendly event. Guests are invited to enjoy a free BBQ, children's activities, meet FTP's dedicated staff and learn more about the many services and supports they provide to the community. Guided tours will also be available, providing an exclusive look at

and opportunity to learn more about FTP's many programs, including emergency shelter, youth education, counselling, outreach and transitional, legal and housing support services.

"We are excited to welcome our community and share more about the work that we do here at FTP," says Executive Director, Lynette Pole-Langdon. "We simply wouldn't be where we are today without the remarkable support of the communities we serve. Drop by for a bite to eat, a tour of the shelter, and a chance to see firsthand how your support continues to make a difference."

About Family Transition Place

FTP provides programs and services in the Dufferin and Caledon communities to women and their children who have experienced abuse, sexual violence or homelessness. Whether women or women and their families need a safe place to live, legal or housing support, or the services of a professional counsellor to help guide them on their healing journey, FTP offers a warm and welcoming environment of support.

Rooted in its deeply held agency values of Compassion, Integrity, Equity and Social Responsibility, its mission is to support the holistic well-being of those affected by gender-based violence and promote healthy relationships and community, through education.

FTP's vision is a community free of abuse where all individuals are treated with compassion, equity and respect, and live their lives in healthy relationships. As a medium-sized not-for-profit agency based in Orangeville, they endeavour to achieve this vision by providing safety, support and hope through several critical program and service areas.

Their housing program operates an emergency shelter at 20 Bredin Parkway in Orangeville for women (16+) and their children fleeing domestic violence or experiencing homelessness. There, they have 12 emergency shelter units, in which they can house and support up to 28 women, children and their family pets at any one time. FTP provides individual, family and group counselling services to both families staying in the shelter, as well as to community clients from its Orangeville location and at satellite offices in Shelburne and Bolton, too.

FTP also operates Second and Third Stage Housing programs in six houses throughout the Orangeville community. The clients in this program are housed in independent homes while they continue to

be supported by program staff and compassionate wraparound services.

In addition to its housing portfolio, support is provided through FTP's 24/7-Hour Support Line, addictions, sexual violence and abuse counselling and workshops for women, men and children, as well as rural outreach, transitional support, mobile crisis and housing services. Thousands of youth also participate annually in healthy relationship education delivered in grade 5-8 classrooms throughout the region.

Do you have additional questions? Are you interested in supporting families in your community?

BREAKING BREAD, BUILDING COMMUNITY: The Grand Valley Food Bank opened its doors with a symbolic bread breaking ceremony, welcoming neighbours, local mayors, and the Dufferin-Caledon MPP Sylvia Jones. The gesture, made with a beautifully braided challah donated by COBS Bread, reflected the spirit of hospitality, inclusion, and shared care at the heart of the new food bank.

We're Moving!

Starting September 2025, all in-person Dufferin Waste services will be available at the County's 55 Zina Street, Orangeville location. These waste services will no longer be available at 30 Centre Street after this time.

In-person waste services include green bin and kitchen container pick-ups and replacements, Bulky Item and garbage bag tag purchases and more!

For new or replacement blue box needs, please call GFL at 1-888-941-3345 ext. 1

Please visit dufferincounty.ca for more information about the move to 55 Zina Street.

Local motorcycle racer claims historic double class championships

Written By **BRIAN LOCKHART**

A local motorcycle racer has achieved a historic milestone in racing.

Cole Alexander competed in the Bridge-stone Canadian Superbike Championship Series and claimed two championships at the Canadian Tire Motorsport Park in Bowmanville on Sunday, Aug. 10.

Cole is one of only four riders in the history of the series to claim a championship in both the EBC Brakes Amateur Supersport 600cc and AIM Insurance Amateur Superbike 1000cc classes, which he did in the same day.

The season took him from Edmonton, Alberta, in the west to Shubenacadie, Nova Scotia, with two rounds of racing in Ontario.

Motorcycle road races take place on an enclosed circuit, with a paved surface, and high-performance motorcycles.

The 18-year-old racer, who lives just outside Shelburne in Amaranth, got his start riding when he was just three years old, on a dirt bike. He started riding road bikes at age 15 and turned to racing when he was 16.

“Me and my dad used to watch road racing on TV when I was a kid and it was always interesting to me,” Cole explained. “I wanted to get started in it and he found a program for me in Grand Bend three years ago. It’s a course and they give you a bike and you work with coaches. They teach you how to ride on the track. It’s an introduction to it all. Then I got my race license.”

Cole races mostly at the regional level on the track at Grand Bend.

“My first year was nothing special,” he said of his start in racing competitively. “I slowly got faster as the season went on. The first year was just about going out and having fun and learning the bike.”

A typical race features 15 to 20 riders, so every competitor has to concentrate on what they are doing on the track to succeed.

Most races are around 15 laps, with each lap taking around 1.5 minutes.

Cole rides a Suzuki GSX R750 – a popular motorcycle for the class he rides in.

To qualify for the races in Bowmanville, a rider must register and then complete a lap within a certain time compared to the faster riders on the track for that race. This ensures that riders will be competitive and can ride the circuit safely.

CONTRIBUTED PHOTO

ON THE TRACK: Shelburne-based superbike racer Cole Alexander flies around the race track at the Canadian Tire Motorsport Park in Bowmanville on Sunday, Aug. 10. He claimed two championships at the park, and his accomplishment has been described as historic within the Canadian motorcycle racing community. He won the EBC Brakes Amateur Supersport and the AIM Insurance Amateur Superbike classes.

“I got first place in qualifying so I set the pace for the race,” Cole explained.

Races get underway with a standing start. Racers line up, and when the flag drops, they roar into action.

“The adrenaline is pretty crazy, when you’re sitting there on the grid – it’s like the calm before the storm,” Cole said.

Cole raced in the Super Sport and Super Bike classes.

“Super Sport is for 600cc bikes, and the Super Bike is for the 1000cc bikes,” Cole explained. “I race both of them on a 750.”

When he races the lower 600cc class, his motorcycle is ‘de-tuned’ so it puts on the same power as the other motorcycles on the track.

“The race was good. I knew I had to win on Saturday just based on how the championship points work,” Cole summed up about the final races. “I put my head down, I got a new lap record. That made my job on Sunday a little easier. I just had to get second place to get the championship. Both were 14-lap races.”

Cole’s Dad, Brian, holds up a sign as Cole

passes on the track so he knows what lap he is on. When you’re racing at high speed, you concentrate on what you are doing and let someone else count laps for you.

The Canadian motorcycle racing scene doesn’t really have the money involved to make it a full-time professional sport in Canada, so Cole is hoping to be involved in some races in the U.S. in the future.

The Canadian Superbike Championship called Cole’s wins “historic” as he is in a small elite group of riders who have won both championships.

Creemore Padres power past Cardinals to clinch back-to-back NDBL Junior titles

Written By **BRIAN LOCKHART**

The Creemore Padres are the North Dufferin Baseball League Junior Division champions for the second consecutive season after winning the final game 10-0 over the Innisfil Cardinals on Thursday, Aug. 21.

It was Game 4 of the championship series.

The two teams, who also met in last year’s final, began the championship series on Aug. 13. The series was disrupted by rain, with three games postponed.

Game 4 was delayed twice before finally being played in Innisfil.

The opening games were split with Creemore taking Game 1 by a score of 11-1. In Game 2, the Cardinals came out on top, winning 3-2.

In Game 3 on Aug. 17, the teams traded runs early, with Innisfil leading 5-4 after two

innings.

Creemore responded with two runs in the third to retake the lead. They added four runs in the fifth inning and three more in the sixth.

The game was called due to darkness, giving Creemore a 13-7 win.

Both teams delivered big hits in the game. Brady Wynne hit a two-run homer for the Cardinals, while Michael Dawe tripled. Sebastian Pasquali and Caden Firlotte each doubled, and singles came from Tyrus Harper, Jackson Levely, Ethan Robertson and Pasquali.

Creemore racked up 16 hits, including a three-run homer from Josh Hanley and a two-run shot from Seth Walker. Liam Reynolds had a standout performance at the plate with two singles and two doubles. Joseph Parke, Aidan Pain and Ben Nicholson each had two singles, while Danny Herman, Nic Guthrie, Dale Critchley and Anson Dupuis added one

hit apiece.

In the final game, the Padres dominated, scoring one run in the second inning, four in the third, two in the fourth, two in the sixth and one in the seventh.

The Cardinals had scoring chances, leaving 12 runners on base.

In the first inning, they loaded the bases, but Creemore’s ace Guthrie struck out the next three batters to escape the jam.

Only four Innisfil players recorded hits: Aidan Farrow doubled, while Brennan Hedrick, Dawe and Pasquali each singled.

Creemore’s offence was powered by three home runs from Herman, Guthrie and Du-

puis. Dupuis also singled, as did Pain, Nicholson and Dylan Brown.

Guthrie’s pitching was key to the win. Over five innings, he allowed no runs on three hits, walked seven and struck out 14.

Pain was called in for relief again and pitched the final two innings, giving up one hit and striking out one.

Dawe started for Innisfil, allowing seven runs on five hits over 4 2/3 innings. He walked six, hit one batter and struck out three.

Noah Ubogi entered in the fifth to record the final out and pitched the last two innings, giving up three runs on two hits, hitting one batter and striking out one.

ATHLETE OF THE WEEK

TROY McDERMID

Playing baseball for most of his life, Mansfield Cubs U13 third baseman Troy McDermid brings a lot of talent to his team.

“It’s entertaining,” Troy said of why he likes the sport. “I like the teamwork. You all play individually, but you have to play as a team too.”

As his team entered the playoffs, Troy describes playoff action as ‘stressful.’

Troy said he plans to continue playing baseball ‘as long as he can go.’

Museum of Dufferin’s Silo Gallery features local photographer in new exhibit

Written By PAULA BROWN
LOCAL JOURNALISM INITIATIVE REPORTER

Hockley Valley-based photographer Peter Dusek is opening the communities’ eyes to the spaces between rural architecture and nature, with a new exhibit at the Museum of Dufferin (MoD).
The exhibit, titled “Field Work,” features

13 pieces of photography from Dusek’s collection that capture the connection of rural architecture, such as barns, silos, and country buildings, with the surrounding nature, including the land and sky.
“I’m especially proud that all the work is mostly from Dufferin and from the surrounding regions,” said Dusek. “This gives people a chance to see some of the country archi-

ture and art from their own region.”
Dusek’s first solo exhibition was in 2015 in Toronto and saw Saks Fifth Avenue purchase the entire exhibit twice for a total of 38 pieces to be displayed in their Toronto and Etobicoke stores. Prior to becoming a professional photographer, Dusek worked as an IT consultant.
Over the years, Dusek has held roughly 15 solo exhibitions and has participated in between 40 to 50 group exhibitions across Canada.
“I’m self-taught and started with photography as a hobby about 15 years ago. I didn’t plan on becoming an artist, but basically started a career change to become an artist,” said Dusek.
Dusek’s photography technique is inspired by eastern philosophy, such as Zen

and Daoism, with the goal of using “as little as possible, as much as necessary.”
“A lot of my work is about the space between things,” explained Dusek. “Typically you see the whole building in picture, but what I’m trying to do is give equal weight to the land and the sky to show the relationship between them because they’re part of each other.”
The subjects of his photography are often found while driving around the region on his motorcycle.
“I find things that excite me, but I never know what I’m looking for; when I see it, I know it,” said Dusek.
Dusek’s exhibit “Field Work” will be on display on the fourth floor of the Silo Gallery at the Museum of Dufferin from Sept. 13 to Jan. 31.

Shelburne Public Library shares upcoming events, recommended read

UPCOMING EVENTS
With over double the participants in the Adult Summer Reading Challenge this summer, competition was stiff! The Shelburne Public Library’s top participants were Nicole J. (most badges), Barbara L. (most books), and Courtney B. (most reviews). Congratulations!
The library has two exciting initiatives coming in September:
Library Card Sign Up & Renewal Month: New patrons can register for a library card with us to be entered into a draw for a Kobo Clara! If you live in Shelburne, Amaranth, Melancthon, Mono, or Mulmur, you’re entitled to membership with us, and it’s a great time to join! For those who already have a membership with us, don’t worry, we haven’t forgotten you! Drop by to renew your membership to be entered into a draw for a gift card.
Biggest Book Sale of the Year: From Sept. 2 to 13 our KTH Room will be transformed into a book lover’s haven! Bring your own bag and fill it with books for \$2 or purchase one of our lovingly-made SPL bags for \$10 and fill it from the book sale. It’s a great time to add to your personal libraries.
RECOMMENDED READ
Perseverance: life and death in the

sub-arctic by Stephan Kesting: An adventurer, firefighter, and jiu-jitsu practitioner embarks on a journey of a lifetime—a 1,000 mile voyage through the Canadian sub-arctic—after recovering from a life-threatening illness. The Canadian North is a vast and lonely land where bears roam free, fires rage unchecked, and storms blast every living thing on the tundra. When Stephan Kesting, already no stranger to pushing his own physical limits, was faced with a rare illness, he knew the only way for him to recover in both body and mind was to dig even deeper. Despite the dangers inherent in the sub-arctic, Kesting sets out on an unimaginably difficult journey.
Why Rose Recommends it: As someone who reads a book every two days, you can imagine the pace I read. Perseverance is forcing me to slow down and savour each page, which is an experience I’m enjoying greatly. Not only does Kesting have a remarkable personal health journey, but his expedition to the sub-arctic alone is a daunting task most of us can’t fathom. He’s in danger every second of his journey, which amplifies the intensity of the read, but is balanced well by the insightful life lessons and mantras, specifically about risk, he shares. Kesting is originally from Mono Mills.

County of Dufferin awarded for excellence in economic development

Written By PAULA BROWN
LOCAL JOURNALISM INITIATIVE REPORTER

The County of Dufferin has been recognized for its work in economic development. In a press release on Monday (Aug. 25), the County of Dufferin announced it received two 2025 Excellence in Economic Development Awards from the International Economic Development Council (IEDC). “This past year has been challenging for the Canadian economy, and like communities across the country, our local businesses have been facing many unknowns. Dufferin County Council and staff are committed to supporting our local businesses, and we have continued to find new and unique ways to advance economic development and tourism in our community,” said Janet Horner, Warden of Dufferin County. “I congratulate

our Economic Development and Tourism team for again being recognized by the IEDC for their continued excellence in advancing county-wide economic development here in Dufferin.” The two projects the County of Dufferin received recognition for were the 2025-2026 Explore Dufferin Guide and the Team Dufferin – County of Dufferin Tariff Response and Business Resources. “Dufferin County is honoured to be recognized by the IEDC with Excellence in Economic Development Awards for the second consecutive year,” said Rajbir Sian, director of development and tourism for Dufferin County. “A growing economy contributes to a thriving community, and Dufferin County staff are dedicated to achieving our Strategic Plan goal of advancing County-wide economic and workforce development, es-

pecially in times of change.” The International Economic Development Council is a non-profit, non-partisan membership organization serving economic developers. The organization has more than 4,300 members, who are employed in various settings, including local, state, provincial, and federal governments, public-private partnerships, chambers of commerce, universities, and a variety of other institutions. Each year, the IEDC honours economic development organizations, government entities, initiatives, and programs that consistently demonstrate excellence in the field. The honorees lead transformational projects that revitalize communities and advance the practice of economic development. “Dufferin County is leading the field of excellence in economic development with

its Explore Dufferin Guide and Team Dufferin – County of Dufferin Tariff Response and Business Resources Series. This award shines a spotlight on the County’s commitment to its community and showcases the significant impact of economic development. The IEDC is honored to present this award to Dufferin County to celebrate both their leadership and innovation in the field,” said Nathan Ohle, IEDC President and CEO. Dufferin County will be acknowledged and honoured at the IEDC 2025 Annual Conference, which will be held in Detroit, Michigan, from Sept. 14 to Sept. 17. Those interested in checking out the County’s Explore Dufferin Guide and finding out more information about the Team Dufferin- County of Dufferin Tariff Response and Business Resources, visit www.dufferincounty.ca.

Teddy Bear Clinic to return to Headwaters Health Care Centre next month

Written By SAM ODROWSKI

Headwaters Health Care Centre (HHCC) would like to remind the community of an upcoming event it’s hosting, geared towards children. Kids and their favourite stuffed toys are invited to the hospital’s Teddy Bear Clinic on Saturday, Sept. 6, from 10 a.m. to 1 p.m. The event takes place at HHCC (100 Rolling Hills Drive, Orangeville). “This free, carnival-style event turns a trip to the hospital into a playful adventure, helping kids feel more comfortable in health care settings,” reads a statement from HHCC issued on Aug. 25. “Children will guide their stuffed friends through the full hospital journey including triage, diagnostic imaging, a check-up with a Headwaters health care professional, and a visit to Teddy Pharmacy.” A new addition to the clinic, which runs annually, is “Teddy Hygiene,” where proper

handwashing techniques will be taught to children in a fun and interactive way. Another new activity this year is the “Zoom Zoo,” where animal lovers can meet some adorable farm animals up close. During the event, children who are fans of vehicles manned by emergency services can interact with police officers, firefighters, and members of the Dufferin County Paramedic Services. Meanwhile, creative minds can enjoy “Teddy Crafts” by painting a river rock for the hospital gardens. They can also take one home as a reminder of the clinic experience. Face painting, games, and a BBQ will also be set up at the event. “This year, we’re especially excited to introduce new activities like Teddy Hygiene, Teddy Crafts, and the Zoom Zoo! These additions bring even more opportunities for kids to learn, be creative, and explore the hospital in a fun, hands-on way, while still enjoying all their favorite returning stations.

It’s a day full of discovery, laughter, and imagination for the whole family,” said Juliann McArthur, manager of patient experience and head of the Teddy Bear Clinic. The event is open to the

public and free to attend. Pre-registration can be done online at hhcfoundation.akaraisin.com/ui/TeddyBearClinic2025, although it is not required.

FILE PHOTO
ANNUAL CHECK-UP: Headwaters Health Care Centre’s annual Teddy Bear Clinic is returning on Sept. 6 from 10 a.m. to 1 p.m., with lots of activities for children to enjoy. The carnival-style event guides children and their stuffed animals through the hospital, from triage to diagnostic imaging and a check-up with a healthcare professional. There’s also face painting, a Zoom Zoo, Teddy Crafts and Teddy Hygiene activities.

Local Drug Strategy Committee to host community event for Overdose Awareness Day

HELP WANTED

STUDENT LIBRARY ASSISTANT

PART-TIME, CASUAL POSITION

Shelburne Public Library will receive applications until August 24th, 2025 for the Student Library Assistant position.

This position involves supporting Library functions through shelving returned materials, completing the clerical tasks associated with incoming materials, and any other clerical functions as assigned. This position also supports programming initiatives when necessary.

We are looking for a highly motivated, responsible, and enthusiastic individual who can work well in a team environment where quality service and good communication skills are a requirement. Applicants must also be punctual and have reliable transportation.

Minimum Qualifications:

- Experience working in a public service environment
- Willingness to learn new technologies
- Ability to assist patrons with computer-related issues
- Keen attention to detail

This is a part-time position with flexible hours, which will include after school and weekend shifts.

Resumes should include educational and training information, work experience and references. The rate of pay for this position is \$17.00 hr with a tentative start date of September 9th, 2025.

Shelburne Public Library is an Equal Opportunity Employer, but only those applicants selected for interviews will be contacted.

Please send your resume and covering letter to:

Rose Dotten, CEO

Shelburne Public Library

201 Owen Sound Street, Shelburne, ON L9V 3L2
Or by email: rdotten@shelburnelibrary.ca

OBITUARY

JAMES ALEXANDER CHEYNE

Peacefully with family by his side on Wednesday, August 20, 2025 in his 91st year. Beloved husband of 66 years to Jean. Loving father of infant son Allan (deceased), Karen (Barry) and Linda. Proud grandfather of Erica (Tyler), Shannon (Zach), Sarah (Josh), Kyle (Sophie), Brandon (Aleksa) and Kelsey and great-grandfather of Jackson, Cameron, Beau and Charlie. Jim will be fondly remembered by his sister Emily (Bob) and sister-in-law Arlene as well as his Cunningham family. Predeceased by his parents Lancey and Elsie Cheyne, brother Bob and sister Ruth (Dan). He will be dearly missed by his extended family and friends.

The family received friends at the Jack & Thompson Funeral Home, Shelburne on Sunday from 2-4 and 7-9 p.m. The funeral service was held in the funeral home chapel on Monday, August 25, 2025 at 11:00 a.m. Interment took place at 2:30 p.m. at Coningsby Cemetery, 5544 Fifth Line, Hillsburgh.

If desired, donations to Trinity United Church or the Canadian Cancer Society would be appreciated as expressions of sympathy. Online condolences and donations may be placed at www.jackandthompsonfuneralhome.com

OBITUARY

ALICE ANN JONES

JUNE 13, 1946- AUGUST 24, 2025

Alice's spirit is now free to soar joyfully to the eternal future of her firmly held faith. Alice will no longer live beside us; rather she will reside within all who knew her. Alice was the daughter of Statura and Clifford Mertens, and sister of Ethel (Corry). She shared 55 1/2 years with her husband Barry Robert. She enjoyed her daughters Alyssa (Murray Kaye) and Anita (Brian DeJong) and granddaughters Calysta and Chloe (Kaye) and Rayleen and Nicole (DeJong).

In respect of her fervent attachment to 4-H Ontario, donations to this organization would be appropriate.

Online condolences and donations may be placed at www.jackandthompsonfuneralhome.com
